

**TSPE Names TAMUK civil engineering senior James (Bryce) Martin
the 2017 Student Engineer of the Year**

TAMUK civil engineering senior James (Bryce) Martin has been named the 2017 Student Engineer of the Year by the Nueces Chapter of the Texas Society of Professional Engineers. Bryce will be honored at the Engineer's Banquet on February 24th at the Holiday Inn Marina in downtown Corpus Christi. The keynote speaker will be the Honorable U.S. Congressional District 27 Representative Blake Farenthold, and City and County Elected Officials will also be in attendance. In addition to being an excellent student, Bryce is also a member of the TAMUK track team, president of Chi Epsilon, and steel bridge captain for ASCE.
