To create a requisition for an item not selected from an AggieBuy punch-out or hosted catalog, or an AggieBuy Contract:

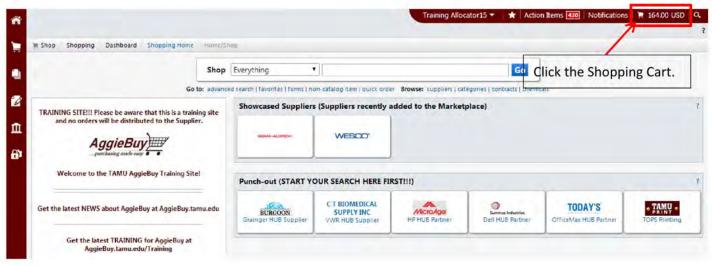

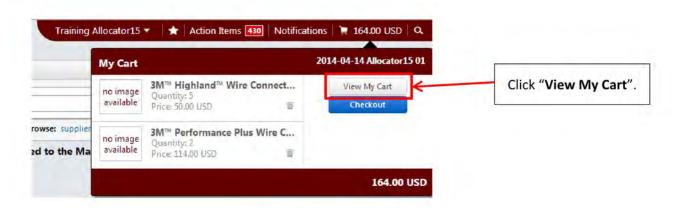

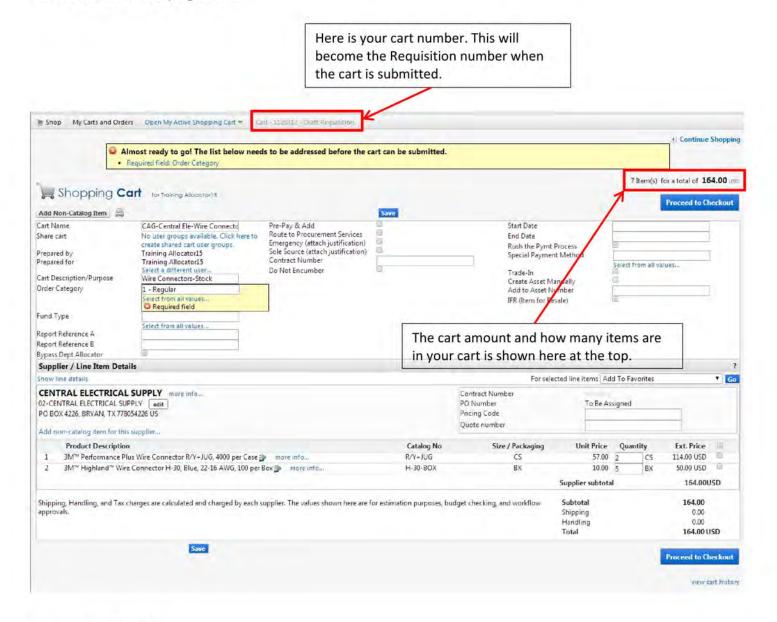

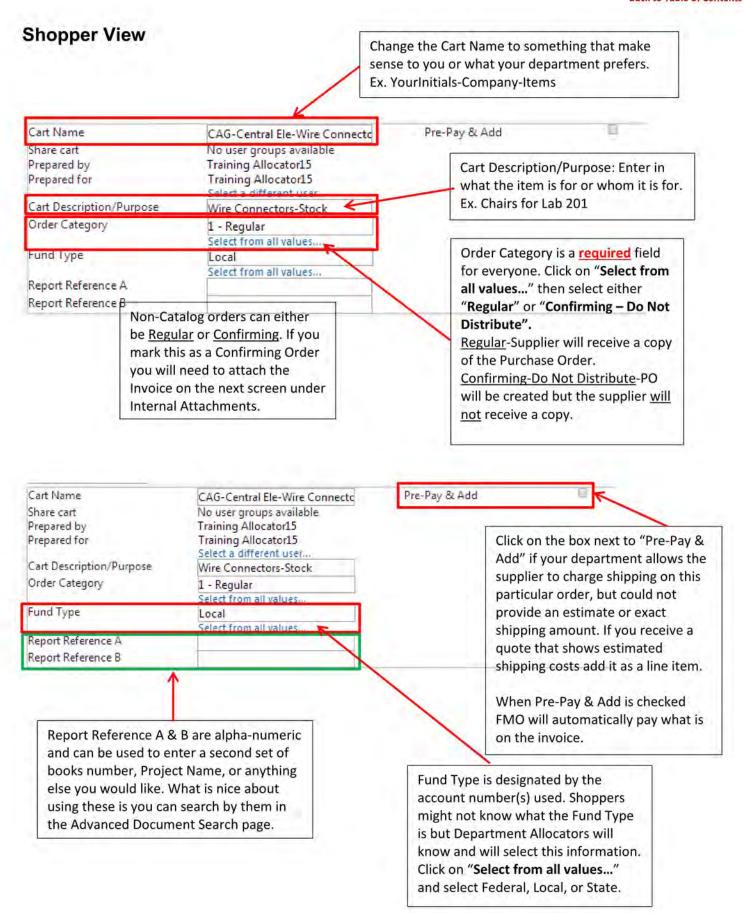

Depending on your Role your Shopping Cart might look different than the one below. For specific Role Cart view see pages 4-6.

## **Required Fields**

Shopper: The only field that is Required to be filled in by the Shopper is "Order Category".

<u>Department Allocator:</u> "Order Category", "Fund Type", "Ship To" and "Bill To" are Required fields if you are a Department Allocator.

## **Shopper-Extended View**

If you have an order that is less than \$10K and you want Procurement Services to bid the item(s) out or otherwise determine a source this box will need to be checked.

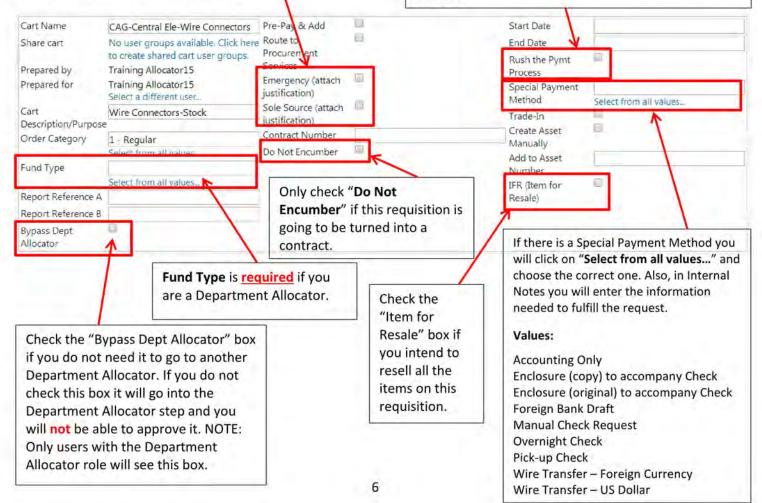

**Back to Table of Contents** 

If the requisition is an Emergency or Sole Source you will need to check the appropriate box. The applicable form will need to be filled out and attached in "Internal Notes and Attachments". The forms are located may be accessed by hovering your mouse over the field name or from: AggieBuy.tamu.edu/forms/

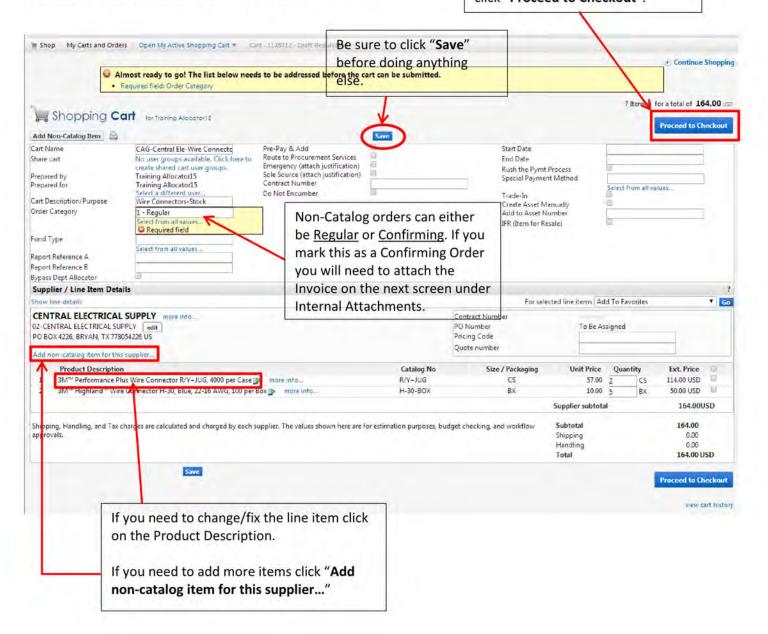

**Department Allocator View** 

Rush the Pymt Process: Check this box if you need the Payment Process to be rushed. This will not rush the requisition through just the payment. Also, enter into "Internal Notes" the reason the payment needs to be rushed.

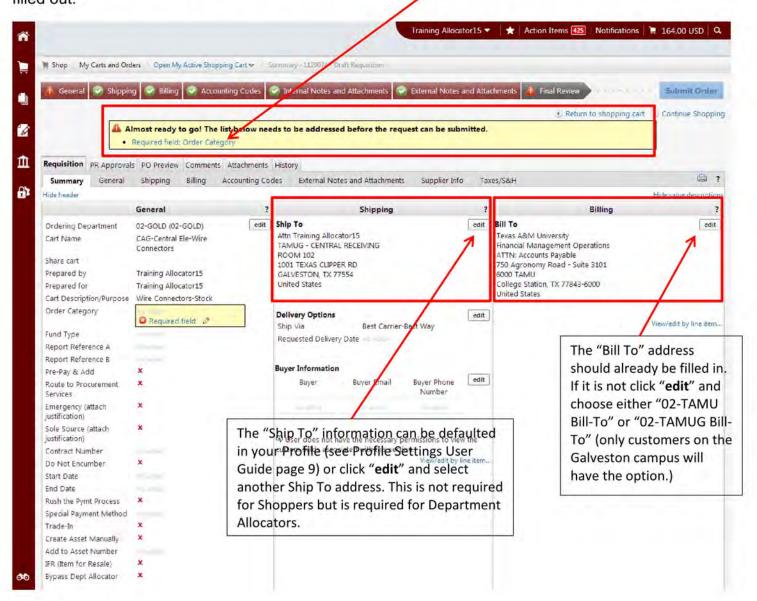

Once the Header information is entered and you have clicked on Save you can add or fix your items.

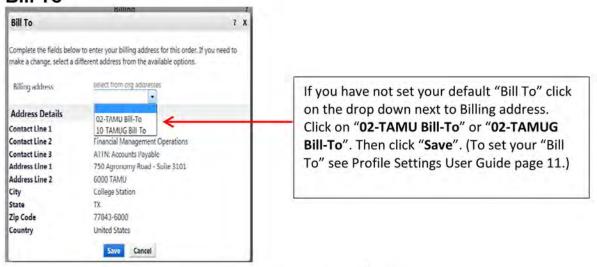

When the Header information is filled out and the items look correct click "Proceed to Checkout".

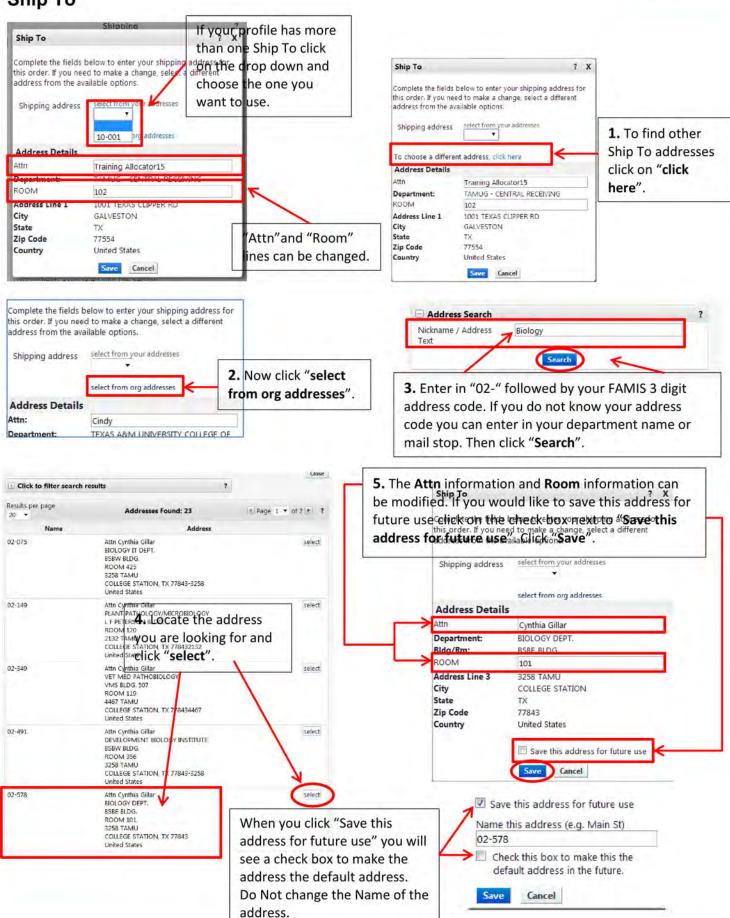

You now see the checkout page. If you did not fill in the required information on the previous page you will see a warning. If you click on the "**Required field:...**" it will take you to what needs to be filled out.

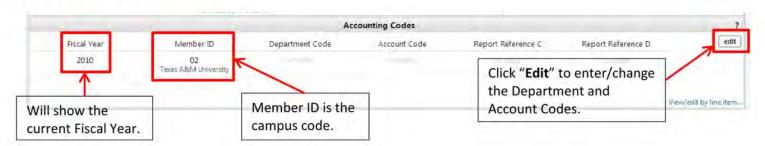

#### Bill To

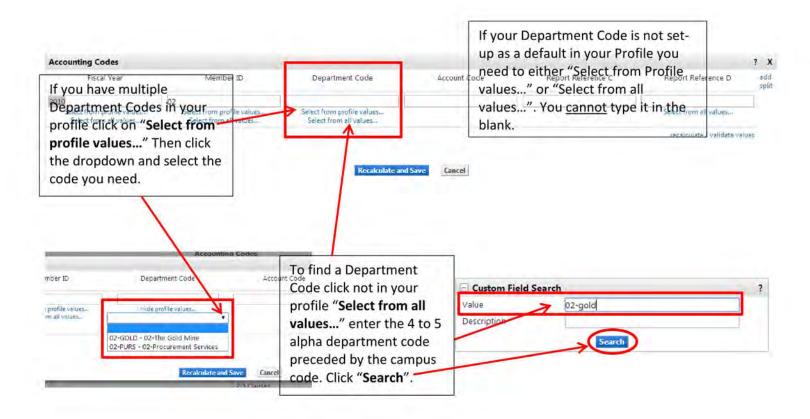

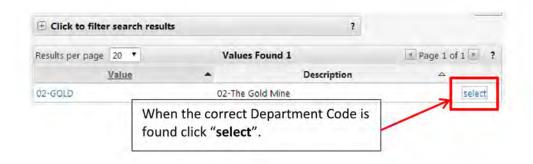

### Ship To

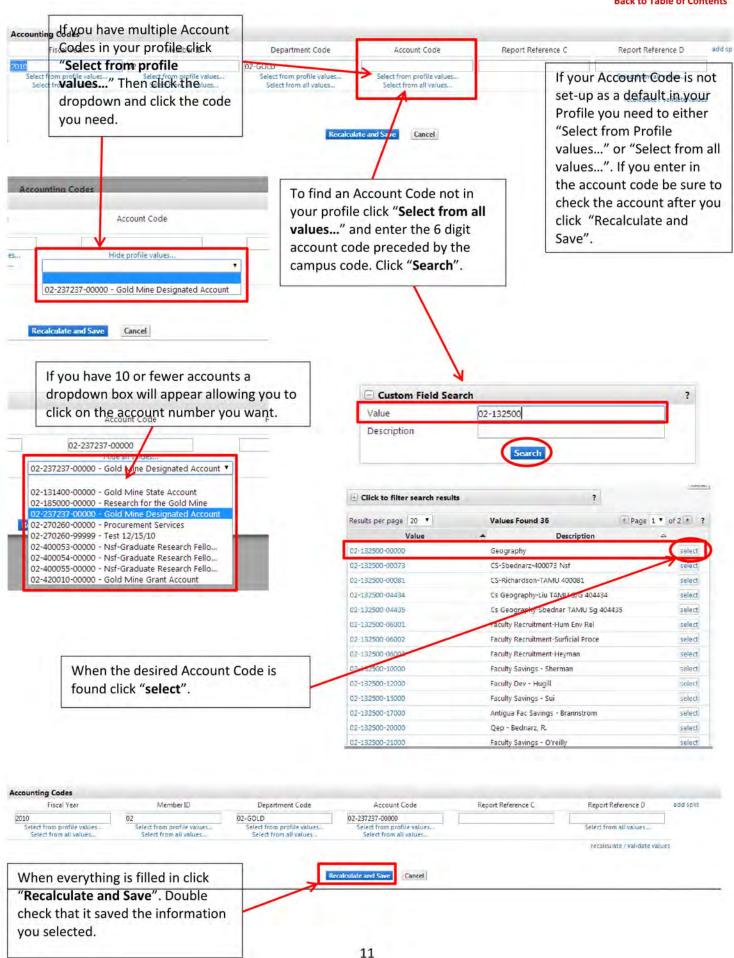

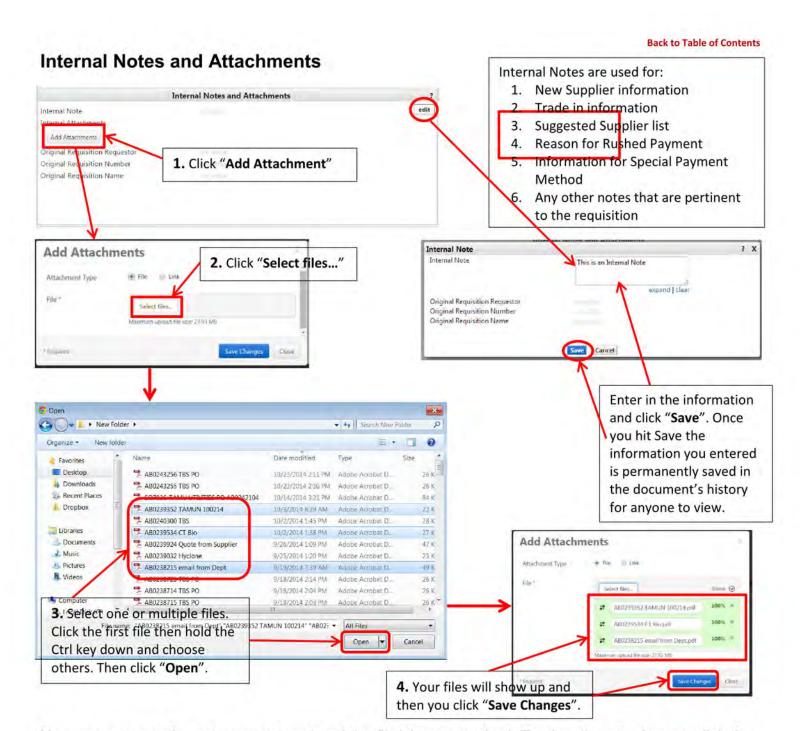

## **Accounting Codes**

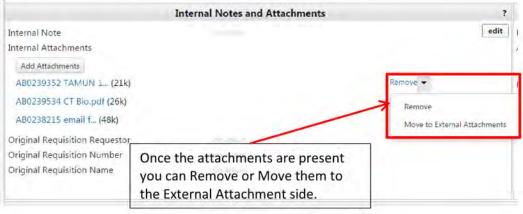

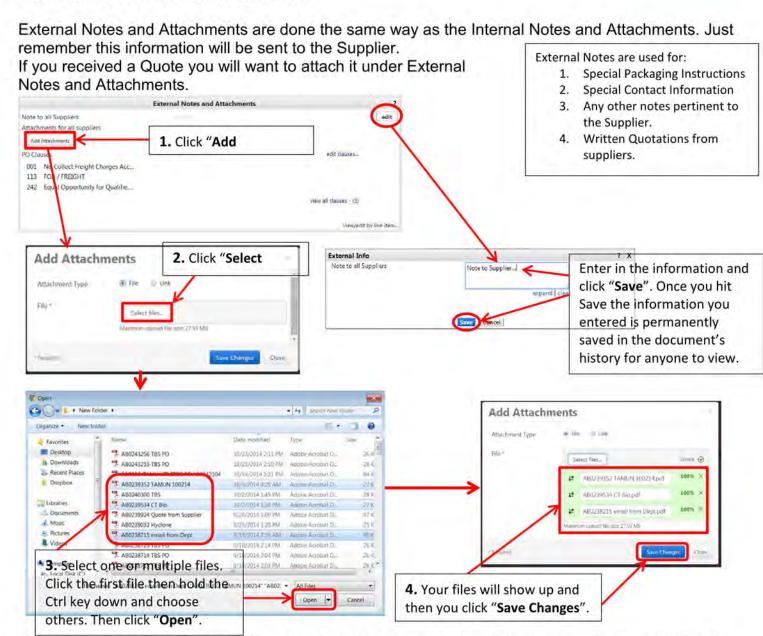

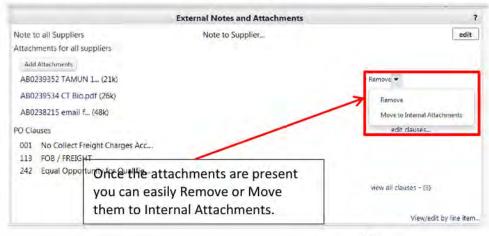

Now you can see the note you entered and the file(s) you attached. To view the attachment, click the file name. The file can also be removed if it incorrect.
