

ITS.SC.510 Fire Protection

Approved Sept. 10th, 2020
Next Scheduled Review: Sept. 10th, 2025

Procedure Statement

Texas A&M University-Kingsville (TAMUK) employs and maintains fire suppression and detection devices/systems for the information systems that are supported by an independent energy source

Reason for Procedure

This Control applies to all TAMUK network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

External and/or environmental threats (e.g., fire, flood, earthquake, civil unrest) disrupt operations due to inadequate physical security controls.

Procedures and Responsibilities

Information resource owners with responsibility over infrastructure equipment shall employ and maintain fire suppression and detection devices/systems for the information resource that are supported by an independent energy source.
