

# GPA Calculators

The **GPA Calculators** allow you to predict graduation GPAs, end-of-term GPAs, and to estimate which grades will be needed to attain a desired GPA in order to monitor your academic standing.

## Graduation Calculator

---

This calculator is a realistic view of whether you are able to obtain the graduation GPA you desire, in relation to the “X” amount of credits remaining for graduation.

### Graduation Calculator Input Fields

- Current GPA – is your current cumulative TAMUK GPA
- Credits Remaining – are the credits you are pending for graduation
- Credits Required – are the total credits the degree plan requires
- Desired GPA – is the GPA you desire to achieve by graduation.

Enter the data into the blank fields and click **Calculate**.
