

Graduate Program in Kinesiology

To apply, visit <https://www.applytexas.org>

If undergraduate GPA of 3.0-4.0, then unconditional admission with 800 or higher on the GRE or 388 or higher on the MAT

If undergraduate GPA of 2.60-2.99, then probationary admission with GRE of less than 1000 or less than 398 on the MAT

If undergraduate GPA of 2.00-2.59, then unconditional admission with 1000 or higher on GRE or 398 or higher on the MAT.

Probationary

Applicants not meeting the requirements for degree status may be considered for admission on probationary status if the applicant has at least a 2.6/4.0 undergraduate grade point average. Individual colleges may also have a minimum standardized test score requirement for admission to this category.

Students must satisfy this status by earning a “B” average on the first 12 semester credit hours before being recommended to Degree Status. An individual program may also have a minimum test requirement for admission to this status.
