Scholastic Probation
Students will be placed on scholastic probation any time their institutional grade point average at Texas A&M University-Kingsville falls below 2.0. Such students are required to participate to the fullest in academic support programs and to seek academic advising. Students who have been placed on scholastic probation will be removed from such probation at the conclusion of the semester or summer term at this university when they have achieved an institutional 2.0 grade point average.

Enforced Withdrawal
Students who have been placed on scholastic probation, and who fail to achieve the minimum institutional grade point average during the next long semester, will be placed on enforced withdrawal. To attend the following semester, readmission will be required. Students must contact their academic advisor to start the readmission process. If readmitted, advisement for the following semester will not occur until grades are posted and evaluated for the term you are currently enrolled in.

Removal of Enforced Withdrawal Status by Summer Study
Students placed on enforced withdrawal at the end of the spring semester are eligible to attend the subsequent summer session. If the student achieves a institutional grade point average of 2.0 or higher at the conclusion of the summer terms, the enforced withdrawal status will be removed.
