Admission Requirements

Complete application files are reviewed by the Admission Office. Admission decisions are based on the following:

- Have a minimum cumulative grade point average (GPA) of 2.0 on all college coursework attempted;
- be in good standing with most recent institution attended; and,
- information presented in the application.

NOTE: To be accepted into the College of Engineering, the overall grade point average from all college work must be 2.5/4.0 or greater.

- Grades for all transferable courses are used in the computation of the GPA.
  * This average is calculated on all transferred college-level work the applicant has undertaken, whether passed or failed.
  * Plus and minus grade designations are not used; C+ is computed as a C, B+ is computed as a B, etc.
  * Grades from transitional (developmental) courses are not included

NOTE: Admission as a Post-bachelor student to the Communication Sciences and Disorders (CSDO) program at TAMUK requires approval by the department. The department may require additional items prior to making a decision. It is recommended that applicants to this program contact the program prior to submitting an application. You can find more information about this program on their website: http://www.tamuk.edu/artsci/csdo/Leveling/leveling_students.html
