Do you have an undergraduate degree in communication sciences disorders?  YES  NO

Date of completion of undergraduate degree: ___________________________ Cumulative GPA: ________________

(Month) (Year)

Institution: ________________________________________________________________

Bilingual: Yes ______ No ______ Language:_______________________________

Deadline for Fall admission is January 15th. Deadline for Spring admission is September 15th. Admission to the Master's Degree Program is on a full time basis. It is expected that a student will enroll in approximately 12-15 semester hours each term. Students, in addition to taking courses, must allow time in their schedule for practicum and diagnostic assignments. If admitted to the Graduate Program in CSDO the student will be required to submit a (signed by an ASHA certified supervisor) record(s) of all clinical observation hours and all clinical and diagnostics (treatment) clock hours. This information is to be submitted directly to the Director of Speech and Hearing Clinic and the information must be received by the Director by the first day of classes. The submission of clinical and diagnostic clock hours is not part of the admissions process.

The Graduate Program in CSDO is accredited by the Council on Academic Accreditation of the American Speech-Language-Hearing Association (ASHA).
