The GMAT Fee Waiver Program is designed to help economically challenged students gain access to graduate business education. If awarded, the student will receive a fee waiver that can be used for one test administration which is valued at $250.00. The number of available waivers is very limited and will be awarded on a first-come, first-served basis. Students are not eligible for multiple fee waiver awards.

Candidates are required to have an overall cumulative undergraduate GPA of 3.0 or higher and must have already applied to our MBA program, met all of the other minimum admission requirements (including all MBA program prerequisite courses) and have official copies of all transcripts on file with the Office of Graduate Studies to be eligible for consideration. Please attach a short essay to this application explaining why you are seeking the waiver. While you will not be required to submit financial information, you will be required to describe your financial need in detail to support your request.

Completed applications for GMAT Fee Waivers will be reviewed by a committee whose decisions will be binding. Those students selected will be notified with instructions on how to register for the GMAT using their fee waiver code. The student must have their fee waiver information at the time their exam appointment is scheduled. Waivers must be used by July 31, 2015.

If selected, I understand that the MBA Program at Texas A&M University-Kingsville will be required to share this information with Graduate Management Admission Council (http://www.gmac.com/) in order to secure my fee waiver. I authorize the MBA program to release my name and the reasons for which my request is approved.
