2016–2017 V5 Verification Worksheet
Dependent Student

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at Texas A&M University-Kingsville will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents and submit the form and other required documents to Office of Financial Aid. The financial aid administrator may ask for additional information. If you have questions about verification contact Office of Financial Aid as soon as possible so that your financial aid will not be delayed. You will be required to submit all documents no later than the end of the academic year or your last date of attendance at Texas A&M University-Kingsville.

B. Dependent Student AND Parent’s Income Information to Be Verified
