

# PROMOTION/TENURE ACTIVITY SCHEDULE

## Fall 2017

Office of the Provost

The following schedule has been arranged to allow as much time as possible for appropriate procedures in each stage of the process. Committees and individuals must keep this in mind as deliberations occur. Each applicant should be informed by each committee chair or individual of the recommendation at each step in the promotion process whether it is positive or negative. Please refer to Guidelines for the Tenure and Promotion Process approved by your respective college.

Each "Recommendation for Promotion in Rank" form indicating a recommendation for or against promotion should be dated by day and month in the space provided below the signature line. Your cooperation is requested and appreciated.
