Undergraduate Program Review Summary

<i>Program</i>	<i>Sub-committee</i>	<i>Continuation Recommendation</i>	<i>Conditions/Comments</i>
Art	#1	Conditional Continuation	-Establish a clear and defined assessment plan.
Biology	#2	Probation	-Revise mission. -Clarify SLOs with distinction from Biomedical Sciences. -Reduce overlap between Biomedical Sciences and Biology. -Define methods/strategies for improvement. <u>-Full program review recommended in AY 2013-14.</u>
Biomedical Sciences	#2	Conditional Continuation	-Revise mission. -Clarify SLOs. -Reduce overlap between Biomedical Sciences and Biology.
Chemistry	#1	Unconditional Continuation	n/a
Communications	#1	Conditional Continuation	-Establish a clear and defined assessment plan.
Criminology	#3	Unconditional Continuation	n/a
Political Science	#2	Unconditional Continuation	n/a
Psychology	#3	Unconditional Continuation	n/a
Sociology	#3	Unconditional Continuation	n/a
Theatre Arts	#3	Discontinue/Phase Out	-Phase out has already begun.
General Business Admin	#4	Unconditional Continuation	n/a
Accounting	#5	Unconditional Continuation	n/a
Marketing	#6	Unconditional Continuation	n/a
Computer Science	#5	Unconditional Continuation	n/a

Undergraduate Program Plans of Action

-All of the programs submitted plans of actions addressing the sub-committee conditions and/or sub-committee and external reviewer recommendations.

-All programs will be required to submit a status report on their plans of action in spring, 2014, with the exception Biology. If Biology undergoes a full program review in AY 2013-14 as is recommended by the PRSC, that program will not be required to submit a status report on their plan of action in spring, 2014.
