

GLOBAL CONNECTIONS

A MESSAGE FROM THE DIRECTOR:

It gives me great pleasure to introduce myself, Peter Li as the Director of the English Language Training Center (ELTC). I accepted this position in January 2018 with ideas to better the program. This vision was made possible with improvements to the ELTC facility. With our updated facility, I hope ELTC students can feel comfortable in both their physical and academic environment.

As the new director, I wish the best with these new improvements. A future goal for the ELTC is to make ELTC students feel like a part of the community. We want our ELTC students to integrate, not only as an ELTC student but as a student of Texas A&M University-Kingsville (TAMUK).

We strive to make ELTC students prepared academically, linguistically, and socially for academic study. At the ELTC, we welcome diversity and the cultural exchanges that it brings. We also strive to give our students a fully enriched experience of American culture in South Texas. through field trips and community events. I am excited and honored to welcome each and every one of our new students. I would also like to welcome the class of 2019! Join us to be part of our ELTC family!

Regards,

Peter Li

ACADEMIC AND CULTURAL IMMERSION PROGRAM

The 2018 Academic and Cultural Immersion Summer Program was held in June and July. This program has given international high school and college students an opportunity to explore the idea of being future university students in the United States. They were able to participate in a variety of activities. The ELTC prides itself on the outreach and resources we aim to provide for our students. We had a great time with these students this summer and hope to see them here in the future at TAMUK!

ALUMNI BUDDY CONNECTION (ABC)

We, ELTC, are in our sixteenth year on semesters since 2002, and we remain an active role as we help international students improve their English skills and realize their potential. Our alumni are testimony to the past success of our center and the programs and an inspiration as we look to the future.

NEW LOOK!

We updated our facilities this semester for our students to have a more enjoyable time and a better experience with us!
