Part III. Signature		
I, _____, give OISSS permission to terminate my F-1/J-1 student non-immigrant status. I understand that the OISSS will select the most appropriate termination reason based on the specific facts of my situation. I have sought general immigration advising from OISSS about this choice and I understand that legal advice regarding my status can be obtained by consulting an immigration attorney. I am aware that once my F-1/J-1 status has been terminated, the action cannot be undone without obtaining a new I-20 or DS-2019 and filing for re-instatement or re-entering the U.S. in F-1 or J-1 status. I also understand that F-1 or J-1 benefits such as CPT and on-campus employment end at the termination of my SEVIS status.
