

TEXAS CITRUS BUDWOOD CERTIFICATION PROGRAM

2021 - 2022 Budwood Ordering Procedures Terms & Conditions

HOMEOWNERS AND NON-COMMERCIAL

IMPORTANT: Any person(s) residing in the state of Texas that wish to purchase and propagate citrus budwood for the purpose of selling trees, fruit, or for any commercial use must be certified by the Texas Department of Agriculture. By purchasing certified citrus budwood you hereby agree that the budwood purchased and subsequent trees and/or fruit shall be used for private use only and will not be sold or used for any commercial purpose.
