

Michael J. Cherry

Associate Professor
Stuart W. Stedman Chair of White-tailed Deer Research
Patton Center for Deer Research
Caesar Kleberg Wildlife Research Institute
Texas A&M University-Kingsville
361-593-3370
Michael.Cherry@tamuk.edu

EDUCATION

University of Georgia, Athens, Georgia. Ph.D. Wildlife Ecology and Management. 2014.

University of Georgia, Athens, Georgia. B.S.F.R. Wildlife Management. 2010.

EMPLOYMENT HISTORY

Associate Professor, Stuart W. Stedman Chair of White-tailed Deer Research, Caesar Kleberg Wildlife Research Institute, Texas A&M University - Kingsville. 2023-Present.

Assistant Professor, Stuart W. Stedman Chair of White-tailed Deer Research, Caesar Kleberg Wildlife Research Institute, Texas A&M University - Kingsville. 2020-2023.

Assistant Professor, Department of Fish and Wildlife Conservation, Virginia Tech University, 2016-2019.

Post-Doctoral Researcher, Joseph W. Jones Ecological Research Center. 2014-2016.

COURSES TAUGHT

WSC 6390: Large Mammal Ecology and Management. 2023, 2025. Texas A&M University-Kingsville.

WSC 6390: Spatial Ecology. 2022, 2024, 2026. Texas A&M University-Kingsville.

WSC 6390: Spatial Analyses in Conservation. 2021. Texas A&M University-Kingsville.

FIW 4334: Mammalogy. 2016-2019. Virginia Tech University.

FIW 6004: Spatial Analyses of Wildlife Habitat. 2017. Virginia Tech University.

FIW 6004: Appalachian and Piedmont Habitat Management. 2017. Virginia Tech University.

COMPLETED GRADUATE STUDENTS

1. Kendall Bancroft, M. S. Candidate, Texas A&M University-Kingsville, Effects of disease on animal behavior. Co-advised with Dr. Alynn Martin.
2. Katie McDaniel, M. S. Candidate, Texas A&M University-Kingsville, Population connectivity and border barrier systems: mountain lions in South Texas. Co-advised with Dr. Lisanne Petracca.
3. Kevin Lovasik, M. S. Candidate, Texas A&M University-Kingsville. Population Dynamics of White-tailed deer in South Texas.
4. Braiden Quinlan, PhD Candidate, Virginia Tech University. Elk population ecology and monitoring. Co-advised with Dr. Mark Ford.
5. Parker Trifiletti, M. S. Candidate, Texas A&M University-Kingsville, Linking forest management and faunal communities in eastern Texas. Co-advised with Dr. Mike Conner. Fall 2025.
6. Miranda Hopper, M.S., Texas A&M University-Kingsville. Reproductive ecology of white-tailed deer. Summer 2024.
7. Calvin Ellis, M.S., Texas A&M University-Kingsville. Mule deer spatial ecology: implications for chronic wasting disease risk. Co-advised with Dr. Levi Heffelfinger. Fall 2023.
8. Chris Satter, Ph.D., Virginia Tech University. Wild pig ecology in southern Florida. Co-advised with Dr. Marcella Kelly. Spring 2023.
9. Bryan Spencer, M.S., Texas A&M University-Kingsville. Disentangling mechanisms and drivers of competition between white-tailed deer and cattle. Fall 2022.
10. Aidan Branney, M.S., Texas A&M University-Kingsville. Bobcat use of restored and managed tracts in southern Texas. Co-advised Dr. Mike Tewes. Fall 2022.
11. Garrett Clevinger, Ph.D., Virginia Tech University. Population dynamics and spatial ecology of white-tailed deer in the central Appalachian Mountains of Virginia. Fall 2022.
12. Daniel Crawford, Ph.D., Texas A&M University-Kingsville. Fire effects on predation risk in a pyric landscape. Co-advised with Dr. Mike Conner. Fall 2021.
13. Heather Abernathy, Ph.D., Virginia Tech University. Fire, felids, and the human footprint: Deer and puma spatial ecology and predator-prey interactions in dynamic, subtropical wildlands. Spring 2021.

14. Gisèle Aubin, M.S., Virginia Tech University. White-tailed deer fawn survival in the Central Appalachian Mountains. Spring 2020.
15. Marcelo Jorge, M.S., Virginia Tech University. Linking prescribed fire to wildlife communities on Camp Blanding National Guard Joint Training Center. Fall 2019.
16. Hunter Ellsworth, MS., Virginia Tech University. Florida panther and white-tailed deer interactions. Fall 2019.

CURRENT GRADUATE STUDENTS

1. Landon Schofield, PhD Student, Texas A&M University-Kingsville, Nilgai ecology and management in South Texas.
2. Garrett Peachy, M.S. Candidate, Texas A&M University-Kingsville. Using Remote Cameras to Monitor and Investigate Wildlife Population and Community Dynamics on South Texas Rangelands. Co-advised with Dr. Whitney Hansen.
3. Brady Boykin, M.S. Candidate, Texas A&M University-Kingsville. Evaluating the Effects of Type and Timing of Nutritional Supplementation on White-tailed Deer Recruitment. Co-advised with Dr. Whitney Hansen.
4. Miranda Hopper, PhD Student, Texas A&M University-Kingsville. Wildlife responses to management and environmental conditions in the Hill Country of Texas. Co-advised with Dr. Levi Heffelfinger.
5. Marlin Dart, PhD Student, Texas A&M University-Kingsville. Spatial Ecology of Pronghorns. Co-advised with Dr. Evan Tanner.
6. Chloe Nouzille, PhD Student, Texas A&M University-Kingsville, Spatial Ecology of Mountain lions in South Texas. Co-advised with Dr. Lisanne Petracca.
7. Calvin Ellis, PhD Student, Texas A&M University-Kingsville. Mule deer spatial and population ecology in Oklahoma. Co-advised with Dr. Levi Heffelfinger.
8. Joe Hediger, M.S. Candidate, Texas A&M University-Kingsville. Life history tradeoffs in white-tailed deer.
9. Breanna Green, M.S. Candidate, Texas A&M University-Kingsville. Thermal ecology of white-tailed deer. Co-advised with Dr. Evan Tanner.

POSTDOCTORAL SCHOLARS

1. Joseph Hediger, DVM, Texas A&M University-Kingsville. Wildlife Research Veterinarian. 2022-Present.

2. Whitney Hansen, PhD, Texas A&M University-Kingsville. Assistant Research Professor 2024-Present.
3. Jamie Benn, PhD, Texas A&M University-Kingsville. Assistant Research Professor. 2022-2023.
4. Heather Abernathy, PhD, Texas A&M University-Kingsville. Assistant Research Professor. 2020-2021.

RESEARCH FUNDING

Grants awarded as faculty at Texas A&M University - Kingsville 2020-2026

\$9,992,736 to TAMUK; \$14709,884 total grants

2026 - \$2,568,646

Source: Texas Parks and Wildlife Department

Title: Developing an Integrated Population Model for Pronghorn in Texas

Role: Co-PI

PI: L. Heffelfinger

Co-PI: E. Tanner

Duration: 2026-2030

Amount: \$1,190,572

Source: Texas Parks and Wildlife Department

Title: Spatially explicit data integration to inform mountain lion distribution and demography in Val Verde County

Role: Co-PI

PI: L. Petracca

Co-PI: M. Smith, R. DeYoung, D. Hewitt, L. Harveson

Duration: 2026-2030

Amount: \$1,265,000

Source: USDA-APHIS-Wildlife Services

Title: Investigating genetic influence on CWD dynamics through experimental challenge studies

Role: PI

Co-PI: J. Hediger

Duration: 2026-2037

Amount: \$ 113,074

2025 - \$739,430

Source: Texas Parks and Wildlife Department

Title: Environmental and Animal Amplification Assay Surveillance Assessing Chronic Wasting Disease

Role: PI

Co-PI: J. Hediger

Duration: 2025-2026

Amount: \$247,640

Source: East Foundation

Title: Landscape-level Experiment Testing Habitat Management Strategies on White-tailed Deer Performance

PI: W. Hansen

Role: Co-PI

Co-PI: R. DeYoung, L. Petracca, A. Foley

Duration: 2025-2028

Amount: \$91,887

Source: USDA - Animal and Plant Health Inspection Service

Title: Development of Neonatal Cervid Models for Chronic Wasting Disease Research

Role: PI

Co-PI: B. Green, J. Hediger

Duration: 2025-2026

Amount: \$249,903

Source: Albert and Margaret Alkek Foundation

Title: Biosecurity enhancement for the Alkek Ungulate Research Faculty

Role: PI

Co-PI: B. Green, J. Hediger

Duration: 2024-2025

Amount: \$100,000

Source: Albert and Margaret Alkek Foundation

Title: Support for the Alkek Ungulate Research Faculty

Role: PI

Co-PI: B. Green, J. Hediger

Duration: 2024-2025

Amount: \$50,000

2024 - \$1,784,224

Source: Bureau of Land Management, USDA

Title: Impacts of pinyon-juniper fuel reduction treatments on mammals in Grass Valley, Utah

Role: PI

Co-PI: L. Heffelfinger, E. Tanner

Duration: 2024-2025

Amount: \$ 86,224

Source: Texas Parks and Wildlife Department

Title: Environmental and Animal Surveillance Assessing CWD Transmission Risks from a CWD Affected Facility

Role: PI

Co-PI: J. Hediger

Duration: 2024-2025

Amount: \$ 247,000

Source: Stedman West Foundation

Title: Effects Of Type And Timing Of Nutritional Supplementation on White-tailed Deer Recruitment

Role: PI

Co-PI: R. DeYoung, L. Petracca, A. Foley

Duration: 2024-2028

Amount: \$ 550,000

Source: East Foundation

Title: Using Remote Cameras to Monitor and Investigate Wildlife Population and Community Dynamics

Role: PI

Co-PI: R. DeYoung, L. Petracca, A. Foley

Duration: 2024-2028

Amount: \$ 321,000

Source: Richard King Mellon Foundation

Title: National CWD Epidemiological Assessment

Role: Co-PI

PI: A. Martin

Co-PI: R. DeYoung, D. Hewitt

Duration: 2024-2026

Amount: \$ 540,000

Source: Albert and Margaret Alkek Foundation

PROFESSIONAL SERVICE

Professional Society Membership and Leadership

Boone and Crockett Club

- Professional Member, 2023-Present.
- Member, Membership Committee, Professional Member Subcommittee, University Programs Committee

American Society of Mammologists

- Associate Editor, Journal of Mammalogy, 2017-2021
- Member, 2015-2022

Texas Wildlife Association

- Member
- Member, Big Game Committee

The Wildlife Society

- Elected officer (National)
 - Chair-elect (2017-2018), Chair (2018-2020), and Past-chair (2020-2022) Hunting, Trapping and Conservation Working Group of TWS
- Elected officer (State)
 - At-large Officer, Virginia Chapter of TWS, 2018-2020.
 - At-large Officer, Georgia Chapter of TWS, 2012-2014.
- Member
 - Southeast Section of TWS, Deer Committee, Texas Representative, 2026-Present
 - Nutritional Ecology Working Group
 - Education Committee
 - Wildlife Damage Management Working Group
 - Financial Audit Committee, Member. 2017
 - Hunting, Trapping, and Conservation Working Group
 - Southeast Section of TWS, 2008-Present
 - Financial Audit Committee of the Southeastern Section of TWS
 - Southwest Section of TWS, 2019-Present
 - Virginia Chapter of TWS, 2015-2020
 - Texas Chapter of TWS, 2019-Present

Meetings for professional Societies

Annual Meeting of The Wildlife Society, 2008-2021, 2025.

Southeast Deer Study Group Meeting, 2010-2022.

Gordon Research Conference: Predator-prey interactions. 2014, 2016, 2018, 2024.

Annual Meeting of the American Society of Mammalogists, 2015, 2019.

Annual Meeting of the Ecological Society of America, 2020.

Southeastern Association of Fish and Wildlife Agencies, 2008, 2010, 2014, 2017.

Association of Southeastern Biologists. 2012, 2014.

Georgia Chapter of TWS 2008-2016.

Virginia Chapter of TWS, 2015-2019.

Texas Chapter of TWS, 2020-2025.

Symposia Organized for Conferences

- 1) The Wildlife Society 32nd Annual Meeting. Fire as a driver of animal interactions and populations. 2025. Edmonton, Canada.
- 2) The Wildlife Society 29th Annual Meeting. New technologies to address old questions: harnessing data ranging from landscapes to individuals to advance conservation and wildlife ecology. 2022. Spokane, WA.
- 3) The Wildlife Society 28th Annual Meeting. A future PI training session: How do I get a job and what do I do once I have it? 2021. Virtual.
- 4) The Wildlife Society 27th Annual Meeting. Eastern elk ecology and management. 2020. Virtual.
- 5) The Wildlife Society 25th Annual Meeting. Wildlife Management in a Changing Appalachian Landscape. 2018. Cleveland, OH.
- 6) The 9th International Deer Biology Congress. Influence of predators on deer in North America. 2018. Estes Park, CO.
- 7) The Wildlife Society 23rd Annual Meeting. Symposium co-organizer. Large Predator restoration in North America. 2016. Raleigh, NC.
- 8) The Wildlife Society 21st Annual Meeting. Ecology and management of coyotes in eastern North America. 2014. Pittsburgh, PA.
- 9) The Wildlife Society 20th Annual Meeting. Predation risk: importance of indirect effects on vertebrate species. 2013. Milwaukee, WI.

Workshops Organized for Conferences

- 1) 39th Southeast Deer Study Group Meeting. Deer management in the Appalachian Mountains. 2017. St. Louis, MO
- 2) 23rd Annual Meeting of The Wildlife Society. Wild pig management and research techniques workshop. 2016. Raleigh, NC.
- 3) 21st Annual Meeting of The Wildlife Society. Human-carnivore interactions and management in the Eastern USA. 2014. Pittsburgh, PA.

Journal Referee and Editorial Service

Journal of Wildlife Management, PloS One, Ecosphere, Movement Ecology, Ecology, Ecological Applications, Canadian Journal of Zoology, Forest Ecology and Management,

Ethology, Oecologia, Wildlife Society Bulletin, Southeastern Naturalist, SEAFWA, Wildlife Research, Wildlife Biology, Journal of Mammalogy.

- Associate editor, Journal of Mammalogy, 2017-2021.
- Co-editor. Proc. of the 15th Annual Wildlife Damage Management Conference, 2017.

Agency Service

Member, USFWS Red Wolf Recovery Team, 2021-Present.

- Member, Population Viability Analysis Subcommittee

University Service

Department

- Chair, Hiring Committee for Postdoctoral Research Associate. 2025.
- Member, Search Committee for Disease Ecologist Faculty 2025.
- Chair, Hiring Committee for Hill Country Research Associate. 2025.
- Chair, Promotion and Tenure Committee. 2024.
- Chair, Search Committee for Carnivore Ecologist Faculty 2022.
- Chair, Hiring Committee for Research Specialist 1, 2020.
- Member, Fisheries Faculty Search Committee, Dept. Fish and Wildlife Conservation, Virginia Tech University. 2018.

University

- Faculty Senate, Texas A&M University - Kingsville, 2020-2023, 2025-present.
- Member, Graduate Council
- Member, Graduate Curriculum Committee
- Member, Starfish Ambassadorship Committee

HONORS AND AWARDS

- Junior Faculty Research Award. Texas A&M University-Kingsville, Dick and Mary Lewis Kleberg College of Agriculture and Natural Resources. 2022.
- Outstanding Young Alumnus Award. Warnell School Forestry and Natural Resources, University of Georgia. 2019.
- Best Student Presentation Southeastern Association of Fish and Wildlife Agencies. 2014.
- E.L. Cheatum Award, University of Georgia. 2014.
- Wildlife Damage Management Working Group, TWS. Travel Grant. 2014.
- 2nd Place Student Presentation. Southeast Deer Study Group Meeting. 2014.
- Best Student Presentation. Southeast Deer Study Group Meeting. 2013.
- Wildlife Damage Management Working Group Travel Grant, TWS. 2013.
- 2nd Place Student Presentation. Southeast Deer Study Group Meeting. 2012.
- Outstanding Wildlife Student of the Year. Warnell School of Forestry and Natural Resources, University of Georgia. 2010.
