Your responses are strictly confidential. Your application will be stored in a secured location and will be stored for five years after last day of contact. When the data are presented in written reports, you will not be linked to the data by your name, title or any other identifying item. Some students will be selected for interviews based on information provided with this application. Interview selection criteria include career interests identified, and the student’s potential to have a cumulative GPA of 3.0 or higher at the time of graduation.
