| Pass | The student has received recommendation from at least two of the three committee members and may register for upper level (3000) courses in the major. |
| Deferral | The student has NOT received recommendation from at least two of the three committee members and may NOT register for upper level (3000) courses in the major. A review for admission to junior standing must be scheduled for the following year or, with approval of the SOM director, the next long semester. |
| Fail | On the third review, if the student fails to receive recommendation from at least two of the three committee members, he/she will not be permitted to continue in the music major. Students will be encouraged to seek counsel with academic advising services to explore other suitable majors at the University. |

Appeal Procedure

If mitigating/extenuating circumstances exist, a student who receives a deferral or failure on an Admission Review to Junior Standing may appeal the decision with the SOM Associate Director. Examples of possible mitigating circumstances are medical problems or serious illness, illness or death of a family member, change of majors, change of grade or similar situations.

Advising Procedure

Every music major has a music faculty advisor who is the student's applied teacher. The student must keep the faculty advisor informed of all plans relative to coursework taken each semester. The faculty advisor will meet with the student each semester to plan for music coursework to be taken the next semester. Additionally, there are two Center for Student Success Academic Advisors assigned to the School of Music:

First Year / Freshman Advising: Maria Lopez - students in their first academic year or have less than 30 earned credits.

Students who enter TAMU-K with more than 30 earned credits but are true first-year students will still be advised by their first-year advisor. These students will transition to upper-level advising after they have completed at least one full academic year at

TAMU-K **and** have earned 30 credits. Upper Level Advising (31+ earned Credits – Graduation)

Upper Level Advising - Priscilla Guerra – Advising for all School of Music majors who have earned at least 30 credit hours **and** have completed at least one full academic year at TAMU-K.

Transfer Students who have attended a previous college or university after high school for at least one term, and have been admitted to TAMU-K as transfer students will receive upper-level advising.

Once the student has consulted with their music and academic advisors regarding course selection for the next semester, they should proceed to the Blue and Gold Registration Process to register.

If the student has completed less than 60 hours, the student must adhere to the following advising/registration process:

1. Prior to a student's scheduled registration date, the student will see the applied music teacher/advisor who will advise the student on the courses needed for the next semester.
2. After meeting with their applied faculty advisor to discuss the next semester's courses, the student will schedule a meeting* with their Academic Advisor:
 - Maria Lopez (Freshman / First-year advising)
 - 361-593-4360
 - maria.lopez@tamuk.edu
 - Jernigan Library, room 210
 - Priscilla Guerra (Upper-Level Advising over 30 credits)
 - 361– 593-4243
 - priscilla.guerra@tamuk.edu
 - Music Education Complex, 100C
3. Academic Advisors will review all degree requirements and student progress, questions, and concerns with the student. A record of recommended coursework and other pertinent information will be documented and kept on record.
4. After the student has been advised by the music advisor and the academic music advisor, advising holds will be lifted to allow the student to register for the prescribed classes on Blue and Gold. **Students are strongly encouraged to register at their earliest opportunity according to the Priority Registration Calendar posted on the TAMUK website.**
5. If the student requires changes to their coursework or registered schedule, they must contact their Academic Advisor before the 9th day of class each semester. Any changes after the 9th class day may require further review and paperwork.

6. If upon review of the student schedule, it is found that the enrolled coursework does not reflect what was advised, the student will be notified that an unauthorized registration has occurred and/or are subject to administrative changes to their schedule by advising or SOM faculty or staff.

** Students are encouraged to use JNET / Starfish to schedule an appointment with their assigned advisor*

******* This process is designed to ensure that the students get registered for the courses that they need to facilitate the earliest possible graduation. *******

Academic Coursework

Music Theory

All music students must be proficient in music theory and the related coursework. Initially, all students will take a theory placement exam to determine any theoretical knowledge prior to attending TAMUK. Results of the placement exams will determine where students will begin their music theory sequence at TAMUK. If students do not have a basic foundation in music theory, they may begin with MUSI 1301: Materials of Music.

Music Theory and corresponding Ear-Training/Sight-singing courses should be taken during the same semester to ensure coordination of material studied. Students should not proceed in the sequence of coursework without passing both the theory and ear-training courses. The sequence for music theory courses is as follows:

Semester 1	MUSI 1316, MUSI 1116	Offered in Fall and Spring Semesters
Semester 2	MUSI 1317, MUSI 1117	Offered in Spring and Summer Semesters
Semester 3	MUSI 2316, MUSI 2116	Offered in Fall Semesters
Semester 4	MUSI 2317, MUSI 2117	Offered in Spring Semesters
Semester 5*	MUSI 3312 or MUSI 4318	Offered in Fall and Spring Semesters
Semester 6*	MUSI 4318 or MUSI 3312	Offered in Fall and Spring Semesters
Semester 7	MUSI 4319	Performance Majors- Once per year

*MUSI 3312 will be offered in two sections in fall semesters and one section in the spring semester. MUSI 4318 will be offered in one section in the fall semester and two sections in the spring semester.

Please note: MUSI 3312 and MUSI 4318 may not be taken in the same semester

Music History

All students must be proficient in music history and related coursework. Students usually take MUSI 2306: Introduction to Music History and Literature during their second year of study. The 4000 level music history courses are usually taken in the third year of study. The sequence for music history courses is as follows:

Semester 1	MUSI 2306	Offered in Fall and Spring Semesters
Semester 2	MUSI 4307	Offered in Fall and Spring Semesters
Semester 3	MUSI 4308	Offered in Fall and Spring Semesters

There are several other courses offered in the music history area as electives. Many of these courses satisfy the Fine Arts requirements for the general education core curriculum. These courses may be taken by music majors as areas of interest and enrichment.

- MUSI 1305: Explorations in Music History
- MUSI 2308: History of Rock and Roll
- MUSI 2309: History of Borderland Music
- MUSI 2310: History of Jazz
- MUSI 2320: Music of Many Cultures

Music Education

Students pursuing a degree in Teacher Certification must take several courses in Music Education. Courses include secondary methods courses, conducting courses, and music education courses. Many of the courses in this area require public school observations as an integral component of the coursework.

Secondary Methods Courses

These courses are designed to provide music students with knowledge and techniques involved in teaching instruments and voice other than their major area. Fundamentals of teaching and pedagogy are stressed along with some basic, practical performing experience. Instrumental music majors are required to take seven of the eight courses, excluding the course that is in their major performing area. Vocal music majors are required to take five of the courses: woodwind, brass, percussion, strings, and elementary music instruments.

- MUSI 1166: Woodwinds I (Clarinet, Saxophone)
- MUSI 1167: Woodwinds II (Flute, Oboe, Bassoon)
- MUSI 1174: High Brass (Trumpet, Horn)
- MUSI 1175: Low Brass (Trombone, Euphonium, Tuba)
- MUSI 1183: Voice
- MUSI 1188: Percussion
- MUSI 1189: Strings (Violin, Viola, Cello, Bass, Guitar)
- MUSI 1195: Instruments for Elementary Music (Pre-req. for MUSI 3393 – Take within first four semesters)

Conducting Courses

There are two required courses in conducting, MUSI 3196: Basic Conducting, and MUSI 3397: Advanced Conducting. These courses are typically taken during the junior year. MUSI 3196 is a pre-requisite for MUSI 3397. Advanced Conducting: MUSI 3397 is team-taught by both a band director and choral director. Students will gain insight into both choral and band conducting and rehearsal techniques. These courses are also required of music performance majors.

MUSI 3196: Basic Conducting
MUSI 3397: Advanced Conducting

Music Education Courses

There are two required courses in music education, MUSI 3393: Elementary Music Concepts, and MUSI 3394: Advanced Music Concepts. These courses are typically taken during the junior year. MUSI 3393 provides information and teaching techniques related to students in elementary school. MUSI 3394 provides information and teaching techniques related to students in middle school/high school band and choral programs. MUSI 3394 is team taught by both a band director and choral director so that students will gain knowledge in both areas.

MUSI 3393: Elementary Music Concepts (Pre-req is MUSI 1195 & Junior Standing)
MUSI 3394: Advanced Music Concepts (Pre-req is Junior Standing)

There are a few courses within music education that students may take as electives. These courses provide further knowledge in specific areas related to music education.

MUSI 1190: Marching Band Techniques
MUSI 4330: Introduction to Orff-Schulwerk (Pre-req is MUSI 3393)

Applied Music

The courses in applied music are designed to meet the requirements and desires of students who wish to major in performance or teacher certification, to take applied music as an elective or minor, or to begin study in applied music in a secondary area to use as a teaching tool or an area of enrichment where public performance is not the goal.

Instruction at the undergraduate and graduate levels is offered in the following areas:

Flute	Trombone	Viola
Oboe	Euphonium	Cello
Bassoon	Tuba	Double Bass
Clarinet	Percussion	Voice
Saxophone	Piano	Composition
Horn	Guitar	Conducting
Trumpet	Violin	Mariachi
SRT		

Applied Music Course Numbers

The Applied Music courses use the MUSA prefix and can be found under “Applied Music” in the Blue and Gold Registration System. The course number utilizes four digits as follows:

1. The first digit indicates the level of instruction: 1-Freshman, 2-Sophomore, 3-Junior, 4-Senior, 5-Graduate.

2. The second digit indicates the number of semester hours credit and the minimum hours of daily practice: 1-1 hour, 2-2 hours, 3-3 hours, 4-4 hours. A one credit hour lesson meets for 30 minutes each week. A two, three or four credit hour lesson meets for 50 minutes each week.
3. The third digit indicates the semester of study: 1-first semester, 2-second semester, 3-third semester, 4-fourth semester.
4. The fourth digit is zero.

The section number for each course identifies the instrument/voice and the instructor. The section numbers are assigned as follows:

002	Clarinet	Vos-Rochefort, Andrea
003	Euphonium	Orth, Jesse

The Applied Music course requirements for music majors and minors are as follows:

BM with Teacher Certification:

Freshman Year: One credit hour lessons

Sophomore-Senior Year: Two credit hour lessons

BM in Performance:

Freshman-Sophomore Year: Two credit hour lessons

Junior-Senior Year: Three credit hour lessons

BM in Performance with an Emphasis in Piano Pedagogy

Freshman-Sophomore Year: Two credit hour lessons

Junior-Senior Year: Three credit hour lessons

BM in Performance with an Emphasis in Jazz Studies

Freshman-Senior Year: Two credit hour lessons

MM in Performance:

Four Semesters: Three credit hour lessons

MM in Conducting:

Three Semesters: Three credit hour lessons

Minors in Music:

Freshman-Senior Year: One credit hour lessons

Students normally progress to the next higher level of applied study each year.

Occasionally it may require more than one year of study to accomplish this progress. The progress of a student from one level of applied music to another is dependent on the jury held at the conclusion of each semester.

Juries

Music Juries are final exams for the applied music courses. Juries are performed at the end of each long semester, usually immediately preceding Dead Day. Juries are divided into sub-areas: Woodwinds, Brass, Percussion, Piano, Strings and Voice. Students within each sub-area will perform for a panel of music faculty who will offer written comments and criticisms with the intent of helping the student to improve as a musician. Each faculty panelist will assign a grade to the student for the jury which will be utilized by the applied faculty member in a way consistent with the written guidelines of the applied music course syllabus.

Each jury will be scheduled for a seven-minute time slot. Performance majors may be asked to schedule two seven-minute time slots. Students should be sure to sign up for a jury time that: a) does not conflict with any classes or rehearsals; b) is at a time when the accompanist is available; and c) allows for adequate warm-up time prior to the jury. Most students will be asked to secure the services of an accompanist; the fee is \$40 for a 15-minute rehearsal and \$60 for a 30-minute rehearsal.

Students are to prepare music as assigned by the applied teacher. Students should submit the required online forms and upload copies of their jury repertoire through the jury system portal, approximately one month prior to their examination (a specific deadline will be announced). Students should dress professionally for the jury since it is a formal performance displaying their best effort.

Recital and Concert Information

The School of Music presents many recitals and concerts each semester. The following information is intended to inform students of the procedures and requirements involved with recitals and concerts.

Senior Recital

All undergraduate music majors are required to perform a senior recital. Performance majors are required to perform a full recital (50 minutes) while majors seeking teacher certification are required to perform a half recital (30 minutes). Teacher certification students may elect to perform a full senior recital if desired, or perform in a joint recital with another student, fulfilling the half recital requirement. Senior recitals may not be performed in the same semester as the student teaching assignment. Students must be registered for a 4000-level lesson in order to perform a senior recital.

Junior Recital

All Performance majors are required to perform a half (30 minutes) Junior Recital. Students must be registered for a 3000-level lesson and be admitted to Junior Standing in order to perform a junior recital.

Graduate Recital

All MM-Performance and Conducting majors are required to perform a full recital in their final semester of study. Graduate students will register for MUSI 5305 – Graduate Research Project – which is the course required for completion of the graduate recital.

Recital Hearing

In order to perform a junior, senior, or graduate recital, the student must first perform and pass a recital hearing. The hearing is essentially a performance of the recital performed for the Faculty Recital Panel consisting of the applied teacher and two other music faculty. The Panel will critique the performance and vote to either pass or fail the hearing. The hearing must occur a minimum of two weeks before the scheduled recital. Hearings must be scheduled at the following times: Mondays: 4:00, 5:00; Tuesdays: 4:00, 5:00; or Fridays: 3:00. If the recital hearing is passed, the same panel will evaluate

the recital and vote to either approve or disapprove the recital. If the recital hearing is not passed, the student must reschedule the recital in a subsequent semester and cannot reschedule the recital later in the same semester in which the hearing was failed.

Student Recital

Student Recitals are held on Thursdays from 1:00 PM to 1:50 PM in the Music Building Recital Hall, during the 2nd half of each long term. These recitals are comprised of student soloists and small ensembles performing literature assigned by and rehearsed with applied music faculty. When piano accompanists are required, the students may utilize one of the music faculty pianists free of charge.

Applied music faculty are responsible for assigning students to perform on a recital date. No more than eight soloists or ensembles will be allowed on any recital date. Any cancellations must occur no later than Tuesday at noon on the week of the recital. Pieces for performance must be no longer than 10 minutes in duration. It is the responsibility of the student and the applied teacher to ensure that the piece is performed within the time limit. Students should dress professionally and appropriately when performing on Student Recital.

Recital Seminar: MUSI 1000

Recital Seminar is a zero credit, required course for all music majors. Students must register for and pass the course a minimum of seven times if the student is a teacher certification major, or eight times if a performance or SRT major. To receive credit for Recital Seminar, students must attend 15 approved recitals, concerts, or performances over the course of the semester.

Recital Attendance Procedure:

Recital Slips will be handed out to each student prior to a recital or musical event. The students must sign and return the recital slips at the conclusion of the recital. No students will be given a slip after the recital hall doors have been closed. Students who do not remain in the recital hall for the entire concert will not receive credit for the recital. For credit to be granted for any non-TAMUK campus events, students shall turn in a program of the event and a brief review (1/2 page, describing and reacting to the event) to their applied teacher within a week of the event. The teacher will certify credit to the music office. Participation in a recital or concert does not count for recital attendance credit.

Approved Musical Events Include:

- Student Recitals

- Faculty/Guest Recitals (Attendance at Faculty/Guest Recitals is strongly encouraged and may be required in some studios.)

- Recitals/Concerts on TAMUK campus

- Other approved concerts include the following:

 - Corpus Christi Symphony Orchestra, Victoria Symphony Orchestra, Corpus Christi Wind Symphony, Corpus Christi Chorale, Chamber Music Concerts, Corpus Christi Ballet, Cathedral Concert Series, UIL or TMEA events/performances.

Approval for any other event will be granted on a case-by-case basis by the applied lesson teacher.

Recital Preparation Procedures

The following “checklist” is designed to aid the student in the preparation of the senior (and junior if a performance major) recital. All plans for the recital must be made with the advice, assistance and recommendations of the applied teacher. Please remember that a recital is an academic event, not a social one. The Senior Recital is the final exam or project that displays the culmination of a student’s years of study in applied music. Therefore, it is very important that great care and planning go into this event. Ultimately, the student is responsible for the outcome of the recital, and as such, the student should take the initiative to methodically plan the recital and work diligently to ensure its success.

1. Discuss your recital plans with your applied teacher so that you can determine the semester in which you will perform your recital. Ideally, this should be determined at least one year in advance.
2. The scheduling of the recital date must be done with the approval and commitment of everyone who will be involved in the recital. Priority for scheduling is given to those who apply by exam week in the long semester preceding their recital. The following may be involved and should be contacted for approval: Applied Teacher, Accompanist, Student Performers.
3. Current SOM policy states that recitals may be scheduled on Mondays, Tuesdays, Wednesdays, and Thursdays during the long semesters when classes are in session. Recitals may be at 6:30 or 8:00 and should be approximately 30 minutes in length for a half recital, and 50 minutes for a full recital. Only 6:30 PM recitals are permitted on Monday nights. Sundays at 3:00PM are also an acceptable recital time slot.
4. Once a date and time for the recital has been agreed upon by all involved, the student must submit a “Recital Date Request” form to Dr. Elizabeth Janzen. Digital event forms are available through the appropriate applied faculty member. Several signatures are required on the form including the student, applied teacher and Dr. Janzen. Dr. Janzen will approve the date and officially place the date on the SOM calendar.
5. The Recital Hearing will be scheduled by Dr. Lee in the first two weeks of the term. The hearing will be scheduled at least two weeks before the scheduled recital and the Faculty Recital Committee should be present at both the hearing and the recital. If that is not possible due to unusual circumstances, a video recording must be provided to the panelist in a timely fashion. Current Recital Hearing times are: Mondays: 4:00, 5:00; Tuesdays: 4:00, 5:00, and Fridays: 3:00. If a student fails the Recital Hearing, the recital must be rescheduled in a subsequent semester and not later in the semester in which the hearing was failed. (See Recital Hearing above)
6. Once the hearing is passed, the student must submit the materials for the recital program to the SOM Office at least 10 days in advance of the recital. Everything should be submitted electronically and free of typos or mistakes. Failure to meet this deadline may result in the student not having a program for the recital.

Recital Checklist:

- _____ Select recital program in consultation with applied professor
- _____ Submit recital event form during exam week of the long semester preceding the recital
- _____ Once the date and accompanist have been confirmed, secure the assistance of any other musicians needed

Rehearsals

- _____ Plan and schedule all rehearsals with accompanist, at least 1 month prior to the hearing
- _____ Secure rehearsal locations for all rehearsals
- _____ Plan and schedule any rehearsals with other musicians

Recital Hearing

- _____ Work with Dr. Reinhuber to schedule your hearing time and location
- _____ Request faculty members to serve on the Recital Committee
- _____ Confirm the presence of committee members three days prior to the hearing

Recital

- _____ Program: Submitted to SOM Office at least 10 days in advance of Recital
- _____ Secure recording services for the recital
- _____ Plan appropriate attire and inform all performers involved in the recital
- _____ Invite family to recital – Be sure to inform them of recital etiquette (No photos during recital, no disruptive children, no pets, etc...)
- _____ Have all needed supplies for recital – Music, instruments, mutes, reeds, water, towel, etc...
- _____ Confirm the presence of committee members three days prior to the recital

2. Student Teacher Placement Rules
 - a. Students should list three different school systems in preference order
 - b. Students must student teach in both a secondary and elementary school
 - c. May not student teach where students did observations
 - d. May not student teach where student attended high school
 - e. May not student teach where HS band/choir/orchestra director currently teaches

 - g. May not have more than 2 student teachers at any school – preferably only 1 at any school

3. The Supervisor will vet the requests against the policies above in #2. She will contact students to let them know if any of their requests do not follow policy. Students may then amend their requests.
4. The Supervisor will prioritize the final requests and send them to the COE. This document should include the names of the cooperating teachers from the high schools/middle schools/elementary schools whenever possible.
5. The COE will contact the band/choir/orchestra/elementary directors/teachers to make sure they can commit to hosting a student teacher. The actual cooperating teacher must be identified so that they can be paid in a timely manner.
6. The COE will follow up and make the official requests of the school districts.
7. The Supervisor and the students should be notified as soon as the school districts confirm the placements. The Supervisor will ensure the students are notified about their placements.
8. If students are not given their first choices as vetted by the Supervisor, the COE must follow the guidelines in #2. The Supervisor should be notified so that she can assist the COE to ensure that the student teacher placement rules are followed.
9. The Supervisor will notify the students of their final student teacher placement as soon as possible.
10. The COE will send copies of the official Student Teaching Placement Sheets to the Supervisor. This will include the Start/End dates and the name/contact info of the cooperating teachers.
11. If the actual start date differs from the official start date, the student teachers must notify the Supervisor and the COE so that the official end date can be recalculated. (Summer band, etc...)

Teacher Certification in Texas

In order to teach public school in the state of Texas, all educators must acquire a teaching certificate issued by the state of Texas. The requirements for teacher certification in Texas are as follows:

- a. Must complete a bachelor's degree in an approved teacher education program at a regionally-accredited institution
- b. The student must have a minimum cumulative grade point average of 2.75 plus a minimum 2.5 average in the teaching field - Music
- c. Must pass the Texas Examinations of Educator Standards (TExES) in both Professional Education and All-Level Music (two separate exams).
- d. Satisfactorily complete a criminal background check

All-Level (EC-12) Music TExES

The All-Level (EC-12) Music TExES test must be passed in order to teach music in Texas. The minimum required score on the exam is 240, which represents a 70% pass rate. The following requirements are needed in order to be eligible to take the exam:

- a. Students must complete the TExES Exam in both All-Level Music and Professional Education
- b. Students may not take both required tests on the same day.
- c. Students must acquire permission to take the required tests by first taking

an official practice test and making a minimum score of 80%. The School of Music will offer this practice test several times each year. If students score below the minimum on the practice test, they must complete review work before being given permission to take the TExES exam. Once students have completed the practice test/review requirements, they will be given a signed authorization form that enables them to receive a barcode to allow them to register for and take the TExES exam.

- d. Students must successfully pass the EC-12 All-Level Music TExES exam prior to student teaching.

University Policies

Six Drop Policy

The following provision does not apply to students with Texas public college or university credits prior to Fall 2007. The Texas Senate Bill 1231 specifies the number of course drops allowed to a student without penalty. After a student has dropped six courses, a grade of QF will normally be recorded for each subsequent drop. Additional information on Senate Bill 1231 is available at the Registrar's Office at (361) 593-2811 and at [Academic Procedure: Drop Policy](#).

Students with Disabilities

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodations of their disability. If you believe you have a disability requiring an accommodation please contact the Disability Resource Center (DRC) as early as possible in the term at (361) 593-2904. DRC is located in the Life Service and Wellness building at 1210 Retama Drive.

Classroom Conduct Expectations

Students are referred to the *Student Code of Conduct* section of the [Student Handbook](#). Students are expected to assume individual responsibility for maintaining a productive learning environment and conduct themselves with the highest regard for response and consideration of others. Ongoing or single behaviors considered distracting will be addressed by the faculty member initially, but if the behavior becomes excessive and the student refuses to respond to the faculty member's efforts, the issue will be referred to the Dean of Students. In the case of serious disruptive behavior in a classroom, the instructor will first request compliance from the student and if the student fails to comply, the instructor has the authority to ask the student to leave the classroom. The student is expected to comply with the instructor's request and may subsequently contest this action using procedures established by the department. If the student fails to leave after being directed to do so, assistance may be obtained from other university personnel, including the University Police Department. The incident shall be handled as an academic misconduct matter using established departmental procedures for academic misconduct to determine if the student should be allowed to return to the classroom.

Academic Misconduct

Students are expected to adhere to the highest academic standards of behavior and personal conduct in this course and all other courses. Students who engage in academic misconduct are subject to University disciplinary procedures. Students are expected to be familiar with the current Student Handbook, especially the section on academic misconduct, which discusses conduct expectations and academic dishonesty rules. Academic dishonesty includes but is not limited to:

1. Cheating: deception in which the student misrepresents that he/she has mastered information on an academic exercise that he/she has not mastered; giving or receiving aid unauthorized by the professor on assignments or examinations.
2. Aid of academic dishonesty: Intentionally facilitating any act of academic dishonesty. Tampering with grades or taking part in obtaining or distributing any part of a scheduled test.
3. Fabrication: use of invented information or falsified research.
4. Plagiarism: unacknowledged quotation, and/or paraphrase of someone else's work, ideas, or data as one's own in work submitted for credit. Failure to identify information or essays from the internet and submitting them as one's own work also constitutes plagiarism. Please be aware that the University subscribes to the Turnitin plagiarism detection service. Your paper may be submitted to this service at the discretion of the instructor.

5. Lying: deliberate falsification with the intent to deceive in written or verbal form as it applies to an academic submission.
6. Bribery: providing, offering or taking rewards in exchange for a grade, an assignment, or the aid of academic dishonesty.
7. Threat: an attempt to intimidate a student, staff or faculty member for the purpose of receiving an unearned grade or in an effort to prevent reporting of an Honor Code violation.

Other forms of academic misconduct included but are not limited to:

1. Failure to follow published departmental guidelines, professor's syllabi, and other posted academic policies in place for the orderly and efficient instruction of classes, including laboratories, and use of academic resource or equipment.
2. Unauthorized possession of examinations, reserved library materials, laboratory materials or other course related materials.
3. Failure to follow the instructor or proctor's test-taking instructions, including but not limited to not setting aside notes, books or study guides while the test is in progress, failing to sit in designated locations and/or leaving the classroom/test site without permission during a test.
4. Prevention of the convening, continuation or orderly conduct of any class, lab or class activity. Engaging in conduct that interferes with or disrupts university teaching, research or class activities such as making loud and distracting noises, repeatedly answering cell phones/text messaging or allowing pagers to beep, exhibiting erratic or irrational behavior, persisting in speaking without being recognized, repeatedly leaving and entering the classroom or test site without authorization, and making physical threats or verbal insults to the faculty member, or other students and staff.
5. Falsification of student transcript or other academic records; or unauthorized access to academic computer records.
6. Nondisclosure or misrepresentation in filling out applications of other university records.
7. Any action which may be deemed as unprofessional or inappropriate in the professional community of the discipline being studied.

Harassment/Discrimination

Texas A&M University-Kingsville does not tolerate discrimination on the basis of race, color, religion, national origin, age, disability, genetic information, gender, gender identify or sexual orientation (or any other illegal basis) and will investigate all complaints that indicate sexual harassment, harassment, or discrimination may have occurred. Sexual harassment and sexual assault are types of sex discrimination. Such sexual misconduct is unacceptable and will not be tolerated. Any member of the university community violating this policy will be subject to disciplinary action. A person who believes he/she has been the victim of sexual harassment or unlawful discrimination may pursue either the informal or the formal complaint resolution procedure. A complaint may be initially made to the Office of Compliance at (361) 593-4758, complainant's immediate supervisor, a department head, a supervisory employee, or the Dean of Students at (361) 593-3606 or the Office of Compliance at (361) 593-4758. Regardless of who

the complaint is filed with, the Compliance Office will be notified of the complaint so it can be investigated.

Pregnant Students

Any pregnant students, or student planning on becoming pregnant, should consult their health care provider to determine what, if any, additional precautions are needed, based on their individual situation. It is the responsibility of the student to communicate their needs to the faculty member or Office of Compliance as soon as possible in order for risk-reduction to be most effective, and to determine if additional modifications are necessary. While the university cannot mandate that the student notify it that she is pregnant or is planning to become pregnant, the university strongly recommends that students do provide notification, so appropriate steps can be taken to ensure the health of both parent and child. To communicate health circumstances or to request additional information, please contact Joe T. Henderson, Chief Ethics & Compliance Officer at joe.henderson@tamuk.edu or (361) 593-4758.
