

TEXAS A&M - KINGSVILLE
COLLEGE OF BUSINESS AND ADMINISTRATION (CBA)
MARKETABLE SKILLS

The Marketable Skills for the CBA are divided into the **Core Skills** that all students develop through the core courses. These are shown as the six components below. In addition there are Discipline-Based Marketable Skills that are developed through courses taken in each major.

The Core Skills and Discipline-Based Skills are presented for each CBA Major. For each Skill, the Discipline-Specific application and general employment application is shown and the courses where a student obtain that skill.

College mission: The College Of Buisness Administration is a school of opportunity providing an accessible, high quality comprehensive buisness education which belends contemporary business practices into the classroom. We empower both working and full-time students of all ages and diverse backgrounds, from the region, the state of Texas, national and international communities, transforming their lives.

MARKETABLE SKILLS: ACCOUNTING

SKILL SET	ACCOUNTING-SPECIFIC APPLICATION	GENERAL EMPLOYMENT APPLICATION	HOW DELIVERED
Microsoft Excel	Create formatted, data and pivot tables; create and format data, combo, scatter and pivot charts; import, harvest, parse and filter data; write formulas; use future value, loan, vlookup, if, iferror and conditional formatting functions.	Analyze organization and client data, prepare reports, tables and charts and other common business usages of Excel skills.	BUAD 1115 "Introduction to Business Software" ACCT 2302 "Principles of Accounting II" Acct 3338 "Financial Statement Analysis"
Enterprise Resource Platform (ERP) (SAP)	Record accounting transactions; manage inventories, assets and investments; process orders and deliveries.	Develop a variety of skills and knowledge essential to organizations that use enterprise resource planning.	*MGMT 3355 "Operations Logistics & Supply Chain Management" *ISYS 3330 "Information System & Business Analytics" *ACCT 4310 "Accounting Systems"; *ACCT 4311 "Introduction to Auditing" *ACCT 4345 "Fraud Investigation & Prevention" CBA certification (requires three classes in core/major)
Tax Slayer	Create clients' files and prepare individuals' tax returns and work papers using professional tax preparation software.	Able to prepare moderately-complex tax returns for public accounting and other tax preparation firms.	Required component of ACCT 4328 "Advanced Tax Accounting"

Note: * SAP University Alliance Initiative since 2018

MARKETABLE CORE SKILLS: ACCOUNTING			
CORE SKILLS	ACCOUNTING – SPECIFIC APPLICATION	GENERAL EMPLOYMENT APPLICATION	HOW DELIVERED
Professional proficiency and Communication	Excellent grasp of general business and specific accounting concepts; competency in written and oral communication.	Requisite knowledge for chosen field and ability to communicate effectively.	UNIV 1102 “Student Success” COMS 1315 “Communication” BCOM 3306”Business Communication” BBA Core and major
Technical Competence	Microsoft Excel Certification Tax Slayer preparation software SAP	Spreadsheets, tables, decision tools individual tax preparation Entity tax preparation Accounting software capability flowcharting	BUAD 1115 “Introduction to Business Software” *MGMT 3355 “Operations, Logistics, and Supply Chain Management” MATH 1314 “College Algebra” MATH 1324 “Mathematics for Business and Economics” *ISYS 3330 “Information System and Business Analytics,” ACCT 2301”Principles of Accounting I” ACCT 3308 “Income Tax Accounting” Acct 4328 “Advanced Tax Accounting” *Acct 4310 “Accounting System” *ACCT 4311 “Introduction to Auditing”
Critical Thinking	Cross-functional problem solving, Audit analytics, audit risk assessment Information systems processes Ethical reasoning and objectivity	Efficient/effective problem solving, Using audit techniques to identify weakness and assess risk understand and flowchart system processes. Emphasizes accounting ethics	*Accounting 4310 “Accounting System” *Accounting 4311 “Introduction to Audit” ACCT 4305 “Ethics for Accountants”
Global Awareness Cultural Consciousness Sustainability	Impact of globalization on financial reporting	Understand accounting issues of global enterprises	BUAD 2374 “International Business” ACCT 3330 “International Accounting”
Social Responsibility	Ethics, objectivity, independence, responsibility	Required ethics education for CPAs	BUAD 2341 “Business Law” ACCT 4305 “Ethics for Accountants”

Leadership and Teamwork	Teamwork	Understand leadership dynamics and situational leadership	MGMT 3322 "Principals of Management" MGMT 4390 "Strategic Management in a Global Business Environment"
-------------------------	----------	---	---

MARKETABLE SKILLS: ACCOUNTING

SKILL SET	ACCOUNTING-SPECIFIC APPLICATION	GENERAL EMPLOYMENT APPLICATION	HOW DELIVERED
Enterprise Resource Platform (ERP) (SAP) Tableau – Data Visualization	Prepare flowcharts for accounting information systems, understand the flow of accounting information, and identify internal control efficiencies and weaknesses.	Assess the accounting information processing and internal controls of an organization’s accounting system.	Required component of *ACCT 4310 “Accounting Systems”
Budget Management	Prepare fixed and flexible budgets, analyze budget variances.	Assist organizations in planning and control through the use of good budgeting techniques.	ACCT 2302 “Principles of Accounting II” ACCT 3314 “Cost Accounting”
Generally Accepted Accounting Principles	Prepare journal entries, post to ledger, make year-end adjustments, prepare financial statements and footnotes, and correct errors for unconsolidated business organizations.	Able to perform a variety of financial accounting functions for unconsolidated business.	ACCT 3311 and 3312 Intermediate Accounting 1 and 2
Generally Accepted Auditing Standards	Know and apply general, field work and reporting auditing standards.	Assist in auditing an organization or, as an organizational employee, understand and provide accounting information to external auditors.	ACCT 4311 “Introduction to Auditing” ACCT 4312 “Advanced Auditing”
Tax Law	Know and apply tax law as it relates to individuals, employees, sole proprietors and property transactions.	Assist in preparing individuals’ tax returns and in providing tax planning and advice.	Accounting 3308 “Income Tax Accounting” Accounting 4342 “ Business Law for Accountants” ACCT 4388 “Advanced Tax Account”
Business Communication Skills	Write in a fluent style using correct grammar, spelling and punctuation to produce various forms of business writing. This includes email communications, reports, client letters, memoranda, resumes and cover letters.	Write in a fluent style using correct grammar, spelling and punctuation when producing letters, reports, PowerPoint presentations, meeting minutes and other written documents for the work environment.	Accounting 4305 “Ethics for Accountants” Accounting 4311 “Introduction to Auditing”

MARKETABLE SKILLS: FINANCE

SKILL SET	FINANCE-SPECIFIC APPLICATION	GENERAL EMPLOYMENT APPLICATION	HOW DELIVERED
Microsoft Excel	Create formatted, data and pivot tables; create and format data combo, scatter and pivot charts; import, harvest, parse and filter data; write formulas; use future value, loan, vlookup, if, iferror and conditional formatting functions.
