

## COLLEGE OF BUSINESS ADMINISTRATION

# MASTER'S IN TAXATION

### Get a Master's in Taxation:

**Employability:** A master's degree in taxation is especially valuable in the modern economy. According to the American Institute of CPA's, there is a projected gap in the number of open jobs in relation to the number of qualified tax specialists.

**Job and Earnings Potential:** According to *Glassdoor*, tax manager is the second-best job in the nation in terms of compensation per education level attained. Tax professionals with a master's degree can expect as much as a 5-15% bump in salary over those who hold a bachelor's degree alone.
