

College of Engineering Summer 2022 Student Advising

- Step-1:** Contact your advisor by email and clearly describe what you need.
- Step-2:** If you do not hear from your advisor within 24 hours during the weekday, forward you email to the Department Chair and the Administrative Associate. Their contact emails are provided in the table below. Please provide as much detail as possible to the Department Chair. The Department Chair may contact your advisor or another faculty listed in the last column to address your advising needs.
- Step-3:** If you have difficulty at the department level, Austin McCoy, Director of Javelina Engineering Student Success Center, will be able to assist you with advising questions at the college level. He can be reached at austin.mccoy@tamuk.edu
- Step-4:** Please plan your requests in advance and do not wait until the last minute to rush things through just before an impending deadline.
