

Research Engagement, Quality Assurance, and Mental Readiness for Remote Learning (REAL)

Hybrid Summer Research Program for High School Students

June 19 to July 7, 2023

Application Deadline: May 22, 2023

Highlights of the Program:

- Free to qualified high school students
- Work closely with University Faculty and Students in STEM.
- Four high school students in one team paired with University Faculty and Students
- Complete a well-designed research project in three weeks 100% virtually
- Have the option to visit Texas A&M University-Kingsville campus and talk to different university offices every Friday during the three weeks with \$100 stipend per visit (up to \$300 stipend for three weeks)
- Free professional development training opportunities and resources
- Webinars provided by invited speakers.
