## Texas A & M University - Kingsville

## Certification of Student Course Enrollment for Federal Insurance Contributions Act (FICA) Exemption (For Use Only in Final Semester of Degree Plan)

I am enrolled less than one-half time but I am enrolled for the number of hours needed to complete the requirements for obtaining my degree. I understand that this exception will be granted only once per academic level (BA, MS, PhD.) and I have not previously used the final semester exemption at my current academic level.
