Options Courses Breaks Schedules

- After clicking on courses, go to “Add Course” to start adding classes that you intend on taking in the coming semester. You can add classes based on Subject and Course, Instructors, or by CRN. In this example, the user adds courses by Subject and Course. After finding the desired course, click “Add Course” and you will see the course added to your schedule.

The screenshot displays the TAMU College Scheduler website. On the left, the 'Current Schedule' table shows three enrolled courses:

Status	Subject	Course
Enrolled	CSEN	5303
Enrolled	CSEN	5323
Enrolled	CSEN	5346

The main area shows the 'Add Courses for Fall 2026' form. The 'Subject and Course' tab is selected. The 'Subject' dropdown is set to 'Computer Science (CSEN)' and the 'Course' dropdown is set to '5303 Adv Topics in Computer Sci'. The 'Add Course' button is highlighted.

- Continuing on, after adding all classes you want to take for the semester, click on schedules and click “generate schedule” and you can see the potential options for you to register for. This student only had one potential class option. Once you have found your desired schedule, click “Shopping Cart” and it will take you to Registration.

The screenshot displays the 'Potential Schedule for Fall 2026' page. A message states: 'You are viewing a potential schedule and you still need to register. Click the "Send to Shopping Cart" button to complete your registration in your student portal.' Below this, a table lists available courses:

CRN #	Seats Open
13514	7
13508	8
13630	9

The main area shows a grid of potential class options. The grid is organized by time slots (8am to 8:45pm) and days (M, T, W, Th, F). The only available class option shown is 'CSEN 5303' at 10:30am on Monday, Tuesday, and Wednesday.

6. After being redirected from schedule planner to Registration, you will click on “Register for Classes.”

7. Select Fall 2026

8. When you enter the term, you will see the Enter Your Search Criteria, to find Plans, click the three lines on the upper right-hand side and you will see Find Classes, Enter CRNs, Plans, and Schedule Options.

9. You will see the plans that you created to register for classes. At this page, you can click “Add All” and you will be registered for the classes that you selected in Schedule Planner.

New Registration Process for Classes

1. Go to bluegold.tamuk.edu, and enter your KU and your network password
2. Find Banner Self Service 9
3. From the Student Services page, locate and click Registration.

Welcome to the Registration Page!

This page gives you links to view your registration status, create registration plans, browse classes, and to register for classes. More information below on how to navigate the links!

Prepare for Registration

The Prepare for Registration page will display whether or not you have holds on your record that will prevent you from registering for classes. This page shows any overrides that your advisor granted you to register for courses, as well as the number of hours you have received, and your classification. (This tab is most similar to the View Holds and to Registration Status, adding your Classification to this detail.)

Prepare for Registration

The following classes are not officially considered complete for transcript purposes.

Adv T: Cyber Intelligence, Computer Science 5303, Section 001

Term: Spring 2026	Instructional Methods: Traditional	Instructor: Mishra, Avdesh
CRN: 20654	Campus: Main	Grade Mode: Grade - Standard Letter
Status: **Registered** 11/04/2025	Start Date: 01/21/2026	
Schedule Type: Lecture	End Date: 05/14/2026	
Hours: 3	Level: Graduate	

Cloud Computing, Computer Science 4360, Section 800

Term: Spring 2026	Instructional Methods: Traditional	Instructor: Che, Dunren
CRN: 20661	Campus: Main	Grade Mode: Grade - Standard Letter
Status: **Web Registered** 11/04/2025	Start Date: 01/21/2026	
Schedule Type: Lecture	End Date: 05/14/2026	
Hours: 3	Level: Undergraduate	

Operating Systems, Computer Science 4362, Section 001

Term: Spring 2026	Instructional Methods: Traditional	Instructor: Girgis, Hani
CRN: 20759	Campus: Main	Grade Mode: Grade - Standard Letter
Status: **Web Registered** 11/04/2025	Start Date: 01/21/2026	
Schedule Type: Lecture	End Date: 05/14/2026	
Hours: 3	Level: Undergraduate
