

REQUIRED RESIDENCE POLICY

You will find the form necessary to request an Exception to the University's Required Residence Policy or the Academic Year Agreement attached to this information.

1. Complete **all** portions of the form carefully and completely, as the information that you provide will be used to determine whether you are eligible for an exception to the policy.
 - You must be able to document that some highly compelling reason exists for the university to grant this exception from the academic year agreement.
 - The reasons must be above and beyond claims of financial problems, dislike for residence hall living, or for personal convenience.
 - Please note, the Residence Life Office is charged with the responsibility of enforcing the Required Residence Policy. Information presented by the student or others on his/her behalf for the purpose of obtaining a housing exception will be followed up on and verified. Any student misrepresenting himself or herself as eligible to live off campus will be subject to disciplinary action under the student conduct code and be billed for room charges. **If any of the information that you submit to us on this exemption form changes you must notify us in writing within 5 days of this change so we can update your records.**
2. The attached form must also be completed in full and signed.
3. If residing with a parent and commuting more than 50 mile radius from Kingsville, a letter from parent must be attached to the request form explaining the circumstances.
4. If not residing with a parent, a letter from parent must be attached to the request form explaining the circumstances.
5. For students who will not or have not applied for University Housing, requests for a housing exception should be submitted prior to August 15th, for the Fall semester or prior to January 15th, for the Spring semester.
6. For students who have applied for University Housing, requests for a housing exception should be submitted prior to July 1st, for the Fall semester or prior to December 1st for the Spring Semester. **Requests received after the deadline and approved by the Executive Director, the student will be incurred cancellation charges of up to \$650.**
7. Students are reminded that simply turning in a request does not mean an exception is automatically given. Until written notification from the Residence Life Office is received, students who request exceptions to the policy should not make arrangements to live off-campus.

REQUIRED RESIDENCE POLICY TEXAS A&M UNIVERSITY-KINGSVILLE

The university requires all students with less than 30 completed semester credit hours (dual enrollment hours are not to be considered because they were not received while living on campus) or under 20 years of age to reside in the university residence halls. Students under the required residence policy, however, will be automatically exempted if they live with a parent or legal guardian within a 50 mile radius of Kingsville which will be verified by the Department of Housing and Residence Life. All other students wishing to reside off campus who live outside the 50 mile radius must complete a Housing Exception Request Form which is available at the Department of University Housing & Residence Life or online at: www.tamuk.edu/housing. Submission of an exemption form does not guarantee approval, so students are advised not to make other housing arrangements until approval is received. Registered students required to live on campus who do not receive approval for exemptions will be billed for on-campus housing.

SATISFYING THE REQUIRED RESIDENCE POLICY REQUIREMENTS

All new students under the Required Residence Policy will automatically be assigned to and billed for housing charges. Students must satisfy the Required Residence Policy requirements by doing one of the following:

1. Apply for a specific hall and meal plan by completing a housing application/agreement and placing a \$150.00 Room Reservation/Damage Deposit. The student will be assigned according to his/her preference on a space availability basis. Residence Life will send a letter or email informing the student of the specific hall he/she has been assigned. Housing charges will be adjusted to reflect the cost of the hall and meal plan selected.
2. Students who feel they qualify for an exemption from the policy that requires them to live in the halls must submit a **Housing Exception Request Form** to the Residence Life Office. Residence Life will send the student written notification of the results of their request. If the student is granted an exception, the housing charges will be removed. (Refer to the following section "*Filing a Request to be Exempted from the Residence Policy*").

FILING A REQUEST TO BE EXEMPTED FROM THE RESIDENCE POLICY OR THE ACADEMIC YEAR AGREEMENT

To file a request to be exempted from the Required Residence Policy or the Academic Year Agreement, the student must complete a form, which is available at the Residence Life Office. Exceptions may be granted to those students who meet the following criteria:

- Are married (must submit a form if under 20 years or have less than 30 hours and attach a copy of the marriage certificate).
- Are a parent (must submit a birth certificate or proof of pregnancy.)
- Are able to document and substantiate that some highly compelling reason exists for the University to grant this exception.

Simply turning in a request does not mean an exception is automatically given. Until written notification from the Residence Life Office is received, students who request exceptions to the policy should not make arrangements to live off-campus.
