Ethnic Categories or Ethnic Origin: A code whereby student enrollment numbers are reported in the appropriate race/ethnic category. The ethnic categories used in the *Fact Book* are derived from the Texas Higher Education Coordinating Board's definition of "enrollment disaggregated by ethnicity" as found in the online institutional resumes for all Texas public universities. In order to make longitudinal comparisons, "Hispanic" students, except international ones, are counted as Hispanic. Students who are "Multi-racial" and claim African American as one ethnic category are included with the African American students. "Asian" includes Asian and Pacific Islanders. International Students are shown as a separate category.

Graduation Rate: The percentage of a given college-entering cohort of degree-seeking students who graduate in a specific period of time, normally six years. Typically, the cohort consists of fall first-time, full-time undergraduates (or freshmen) plus summer first-time students who continue in the fall and are full-time in the fall. The summer students need not be full time in the summer. They are evaluated for full-time status based on their fall enrollment.
