**First-Time-In-College Students:** A student who has no prior postsecondary experience (except as noted below) attending any institution for the first time at the undergraduate level. This includes students enrolled in academic or occupational programs. It also includes students enrolled in the fall term who attended college for the first time in the prior summer term, and students who entered with advanced standing (college credits earned before graduation from high school).

### First-Time Transfer Degree-Seeking Students

**First-Time Transfer Students:** A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). This includes new students enrolled in the fall term who transferred into the institution the prior summer term. The student may transfer with or without credit.

**Faculty Full-Time Equivalency (FTE):** As reported to the Texas Higher Education Coordinating Board (THECB) in the CBM008 report, Faculty FTE is the percent of time assigned to each faculty appointment. To compute the total FTE amount, sum the percent time of all appointments (e.g., instructional appointments and administrative appointments in direct support of instruction) for each faculty member and divide by 100.

**Faculty Headcount:** Faculty numbers are calculated using Fall CBM008 data and only include faculty that are involved in instruction.

### Definitions

**Graduation Rate:** The percentage of a given college-entering cohort of degree-seeking students who graduate in a specific period of time, normally six years. Typically, the cohort consists of fall first-time, full-time undergraduates (or freshmen) plus summer first-time students who continue in the fall and are full-time in the fall. The summer students need not be full time in the summer. They are evaluated for full-time status based on their fall enrollment.
