First-Time-In-College Students: A student who has no prior postsecondary experience (except as noted below) attending any institution for the first time at the undergraduate level. This includes students enrolled in academic or occupational programs. It also includes students enrolled in the fall term who attended college for the first time in the prior summer term, and students who entered with advanced standing (college credits earned before graduation from high school).

First-Time Transfer Students: A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). This includes new students enrolled in the fall term who transferred into the institution the prior summer term. The student may transfer with or without credit.

Degree-Seeking Students: Students enrolled in courses for credit who are seeking a degree, certificate, or other formal award. This includes students who received any type of federal financial aid, regardless of what courses they took at any time; received any state or locally based financial aid with an eligibility requirement that the student be enrolled in a degree, certificate, or transfer-s..

Definitions

Enrollment (Headcount): The number of students enrolled in courses creditable toward a degree or other formal award; students enrolled in courses that are part of a vocational or occupational program, including those enrolled in off-campus or extension centers; and high school students taking regular college courses for credit. When student headcount is reported by the academic college or department, the headcount is attributed to the department that administers the student's primary major.

Ethnic Categories or Ethnic Origin: A code whereby student enrollment numbers are reported in the appropriate race/ethnic category. The ethnic categories used in the *Fact Book* are derived from the Texas Higher Education Coordinating Board's definition of "enrollment disaggregated by ethnicity" as found in the online institutional resumes for all Texas public universities. In order to make longitudinal comparisons, "Hispanic" students, except international ones, are counted as Hispanic. Students who are "Multi-racial" and claim African American as one ethnic category are included with the African American students. "Asian" includes Asian and Pacific Islanders. International Students are shown as a separate category.

Note: For the purposes of this FactBook, "Other" under ethnicity includes American Indian and Alaskan Native, Asian, Native Hawaiian and Other Pacific Islander, Two or More Races, and Unknown Race and Ethnicity...

Definitions

Graduation Rate: The percentage of a given college-entering cohort of degree-seeking students who graduate in a specific period of time, normally six years. Typically, the cohort consists of fall first-time, full-time undergraduates (or freshmen) plus summer first-time students who continue in the fall and are full-time in the fall. The summer students need not be full time in the summer. They are evaluated for full-time status based on their fall enrollment.
