Department of Campus Recreation and Fitness
Flag Football Rules
Revised for Fall 2010

Texas A&M University-Kingsville does not provide accident insurance coverage for injuries received by Intramural participants. Each participant should make sure that he/she has coverage either through family policies or the student insurance plan. We cannot emphasize this point enough.

Texas A&M University-Kingsville PROHIBITS possession or consumption of alcoholic beverages on University property. This includes the Intramural Sports Fields, SRC Gym. Violators will be asked to leave the area. Failure to do so can result in forfeiture of the ball game, suspension of individuals and/or teams, and appropriate action by the Dean of Students.

Food, flavored drinks, and gum are prohibited on the SRC (Student Recreation Center) courts. Only bottled water is permitted in the court area.

TAMUK IM Sports follows NIRSA Flag & Touch Football Rules except for the following modifications

Player Eligibility

- Participation is limited to currently-enrolled, fee-paying TAMUK students, faculty members, and full-time staff. Members of the community are not eligible. All areas of eligibility are covered in the Intramural By-Laws which are available through the Department of Campus Recreation and Fitness Office and online at the TAMUK Campus Rec web site.

Number of Players

- There is a minimum of six players required to start a game and maximum of seven players to continue a game.
- Free substitution is allowed after the ball is ready for play and before the snap, each player or entering substitute of an offensive team can be lined up anywhere behind the line of scrimmage.
- There will be a one-yard restraining line for the defensive team while in any formation or situation; the officials will mark off the restraining line.
- Only one player may be in motion parallel to the line at any one time before the ball is snapped.

Start of the Game

- Game time is starting time; there will be no grace period. The officials watch will be the timepiece used to decide game time.
- The referee shall toss a coin after designating which captain shall call the toss. The winner of the toss shall have first choice of the options for either the first or the second half. The loser shall have the first choice of options for the half the winner of the toss did not select. The options are: to choose whether a team will play offense (receive) or defense or to choose the goal a team will defend. Teams automatically switch ends at the half.

Game Time and Time Outs

Games will be two 18-minute halves of running time. Only the last two minutes of the second half will be stopped for all dead ball situations such as: time-outs, penalties, change of possessions, out of bound plays, incomplete passes, and all scores.
• Half time will be 2-minutes
• The offensive team has 25 seconds from the time the ball and restraining line are set by the officials to put the ball back into play. If the team exceeds 25 seconds, officials will call a delay of game penalty.
• A game or half cannot end on a defensive penalty unless the penalty is refused.

Passing

• All players are eligible to receive a pass.
• Only one forward pass per down (either over handed or underhanded).
• No forward hand-offs between the quarterback and the center are allowed.
• At the time of a pass reception, the receiver must have the "first football" down and in bounds for a complete pass (Ball in complete control).
• Any number of backward or lateral passes is permitted.

Fumbles

• All fumbled balls touching the ground are immediately dead at that spot. The next play will resume at the same spot.
• The team fumbling the ball retains possession of the ball (except on the 4th down).
• The kick, which strikes the ground after being touched by a receiver, is dead at that point.
• All incomplete laterals or passes behind the line of scrimmage will be spotted where the ball lands.
• Any player catching a passed or fumbled ball that does not touch the ground can advance that ball.
• A fumbled ball by an offensive team in their end zone constitutes a safety.
• The offensive team may not fumble a ball forward in mid-air to advance the ball.

Flag Belts and Legal "Tackles"

• Each player must wear a flag belt; each team will have a different color. Every player must have their shirt tucked in their pants.
• If a player loses his/her flag belt and has possession of the ball, the defense must touch them with one hand between the shoulders and knees to make the legal "tackle."
• A legal tackle is made when a defensive player detaches the flag belt from the ball carrier.
• A shielding infraction will be called if a ball carrier uses his/her hands, arms, the ball or clothing to hide or prevent an opponent from pulling the flag belt.
• Any player catching a passed or fumbled ball that does not touch the ground can advance that ball.
• The ball is dead if either knee of the ball carrier touches the ground at any time.

Tie and Overtime Games

• In case of tie at the end of regulation play during the regular season, the game will end and be recorded as a tie.
• During the playoffs, overtime will be played as follows: each team will get four downs from the ten yard line (closest to their opponent's goal) to score. Whichever team scores in the fewest amount of downs, wins.
• Each team will get one 30-second timeout per overtime.

Equipment

• Footballs are available OR you may furnish your own game ball and practice balls.
• Teams are encouraged to furnish their own like-colored shirts. Jerseys will be available for check out. Must have validated I.D. A hold will be placed on your records if you fail to return any issued equipment.
- Individual player equipment must meet the following requirements:

A. Shirts: All shirts must be tucked in and remain tucked in during play. If the shirt (sweatshirt or jacket) has a hood, the hood must be tucked inside the shirt (sweatshirt or jacket).

B. Pants: Players may not wear pants or shorts that have belt loops, pockets, or an exposed drawstring. Players may not wear towels that hang from the waist.

C. Headgear: Players may not wear baseball style caps or other rigid headwear. Knit and stocking caps are permitted. Players may wear a headband no wider than two inches and made of non-abrasive cloth, elastic, fiber, soft leather, or rubber. Bandanas with knots are prohibited. Rubber or cloth elastic bands may be used to control hair.

D. Pads or Braces: No pads or braces may be worn above the waist. Leg and knee braces made of hard, unyielding material must be covered on both sides and all edges with appropriate slow-recovery padding.

E. Shoes: All players must wear shoes. Tennis/running shoes, soft-soled shoes, and football shoes are permitted. Metal spikes, baseball-style spikes, and cleats with metal exposed are prohibited. Any player caught wearing spikes will be ejected from the game.

F. Jewelry: **NOT allowed** to be worn by any participant during a flag football game. This jewelry consists of any visible rings (including wedding bands), watches, necklaces, earrings, studs, bracelets, and any other such similar jewelry. Medic alert bracelets must be taped to the body or secured under clothing such as a wristband or sock to be worn during play. A player is subject to ejection for failure to remove any jewelry after first warning.

- Participating while wearing illegal equipment is a 10-yard unsportsmanlike conduct penalty.

- If teams choose to bring a playbook out on the field, it cannot be of an unyielding material and must not be visible during play. Also, the playbook must stay on the person instead of being thrown on the ground.

**Field Dimensions and Downs**

- The size of the field will be 60-yards by 40-yards, with 10-yard end zones.
- The field will be divided into 3 20-yard zones. A team has four downs to cross each consecutive line (First down every 20-yard line marker). If a team has a penalty which pushes the line of scrimmage behind a new 20-yard line the offense must still pass the original first down marker.
- During a runback, if a penalty pushes the line of scrimmage behind a new 20-yard line, the first down line will be that 15-yard line.

**Punting**

- The referee will ask the offensive team on all fourth downs if they intend to punt or "go for it." There are no fakes allowed.
- All players must remain at the line of scrimmage until the ball is kicked. Defensive players may put their hands up and/or jump to attempt to block the punt as long as they do not cross the line of scrimmage.
- On a bad snap, the ball is dead where it first touches the ground.

**Blocking**

- The only type of blocking allowed is screen blocking. All blocking must be made with the blocker in an upright position with both hands clasped in front of or behind their backs or directly at their sides.
- No player may use his/her hand to go through, over, or around an opponent.
• No body blocks roll blocks, or shoulder blocks are allowed at anytime (Penalty will be expulsion from game and automatic suspension from league play). Offensive players may not keep their elbows out when blocking, they must be against the body.

Inadvertent Whistle

The ball will be ruled dead at the spot where it was when the whistle was blown.

Safety and Touchbacks

• A fumbled ball by an offensive team in their end zone constitutes a safety.
• If a team intercepts a pass in the end zone and does not advance the ball out of the end zone it is a touchback. The ball is put in play on the 10-yard line.
• If a team receives a punt in their end zone and does not advance it out of the end zone, it is a touchback. The ball is put in play on the 10-yard line.
• Following a safety, the ball shall be placed on the 10-yard line of the team credited with the safety.

**Section 3**

Measurement of half the distance to the goal line is done inside the 10-yard line for 5-yard penalties and inside the 20-yard line on 10-yard lines.

**CO-REC FLAG Modifications:**

**PLAYERS:** A game is played between two teams of 7 players 3 men and 4 women. To avoid a forfeit, six players, 2 men and 4 women are required. The ratio of women needs to be greater than men.

**THE BALL:** A regular, intermediate, youth or junior size football may be used.

**LINE OF SCRIMMAGE:** The offensive team must have at least 4 players on their scrimmage line. Penalty: Illegal Procedure, 5 yards from the previous spot.

**MALE RUNNER(this does not apply to forward pass):** The offensive team males cannot advance the ball through their scrimmage line. Penalty: Illegal Procedure, 5 yards from the previous spot. There are no restrictions: during a run by a male runner once the ball is beyond the offensive scrimmage line; during a run by a female runner, and after a change of possession.

**OPEN vs. CLOSED PLAYS:** Each drive will begin with the play being open. During the offensive team's possession there may not be two (2) consecutive legal forward pass completions from a male passer to a male receiver. This rule applies to the Try. If a male passer completes a legal forward pass to a male receiver, the next legal forward pass completion MUST involve either a female passer or a female receiver for positive yards. (i.e. All plays are OPEN until a forward pass is completed from a male QB to a male receiver. After a male-to-male completion, the next play shall be CLOSED, and will remain closed until positive yards are gained on a passing play that involves either a female QB or a female receiver). All closed play violations shall be penalized as illegal forward passes. There are no other restrictions concerning a male passer completing legal forward passes to a female receiver, or female to female, or female to male. Any foul, whether accepted or declined, shall have no effect on whether the next legal forward pass completing is "open" or "closed." If a female ball carrier rushes the ball for positive yardage on a CLOSED play, there is no penalty, but the play shall remain closed.

**SCORING:** If a female player scores a touchdown, the point value is 9. If a female player throws a legal forward pass and a touchdown is scored by any offensive team member, the point value is 9.
