

Welcome and thank you for taking the time to fill out the Fall Carnival application. As organizations are approved, a list will be updated daily at the Student Engagement & Campus Life Office. Please take time to read and familiarize yourself and your organization with the rules/regulations provided by the link below.

http://www.tamuk.edu/osa/files/studentorganizations_files/pdf%20format/fallcarnival-springfling-policies.pdf

To implement the “carnival” aspect of Fall Carnival, the Campus Activities Board will sponsor the first 10 organizations that host a GAME BOOTH.

Each organization will be provided with two tables to use at their convenience.

Using too much power can short-circuit the outlet and may cut the power. Organizations are limited to one (1) electrical device and are responsible for providing their own extension cords.

For special requests regarding your booth due to its size and/or function, please visit/contact SECL before completing this form to receive approval. We cannot make any guarantees due to space limitations. We will try to accommodate your needs as much as possible when we are given ADVANCED notice of your circumstance. The first 100 registered and approved organizations will be able to participate.

If you have any questions, please contact us at 361-593-2760 or visit our office, the Javelina Student Engagement Center (JSEC) at 1119 W. Santa Gertrudis located adjacent to the CYC Daycare and across the street from Lynch Hall.

DEADLINE TO SUBMIT APPLICATIONS: September 30, 2022, by 5 pm. NO EXCEPTIONS.

If organizations have not completed registration by the deadline, regardless of attending one of the mandatory informationals, they will not be able to participate. NO EXCEPTIONS.

FALL CARNIVAL INFORMATIONAL DATES: Approved organizations must attend one informational with two representatives (one member and one officer) and will automatically forfeit their participation if they fail to appear. NO EXCEPTIONS.

Monday, October 3 - JSEC; 5:00 pm

Tuesday, October 4 – JSEC; 5:00 pm
