VEVOR®

Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

Digital Practical Controller

The controller has a marvelous and gorgeous appearance, featuring the digital display and button. You only need to press one time to realize a simple & quick operation.

Durable & Reliable Handle

The well-upgraded handle made of rubber is more effort-saving and smooth under the same pressure, making it more comfortable to hold.

360° Rotation Design

With a swing-away and guide rail design, this heat press machine provides a full range pressure directly as well as evenly.

PORTABLE HANDLE

HEIGHT ADJUSTMENT BUTTON

DURABLE BASE

Considerate Details

A portable handle can facilitate the movement. The flexible button is easy for adjusting the height. Based on the solid base, the heat press requires stable support to maintain smooth running.

2-layer Insulation Pad

Come with 2 layers of thermal insulation cotton, a 4-mm aluminum silicate paper insulation, and a 10-mm thick thermostable sponge to improve the transfer effect.

Complete Accessories

The complete kit that includes all the necessary accessories you need helps you easily apply transfers, letters, numbers & images onto T-shirts, caps, ceramic plates, mugs, etc.
